NAZARENE NEWS | December 2019

### A MESSAGE FROM OUR NATIONAL DIRECTOR

Greetings in the Name of our Risen Lord:

Well its that time again, the time when we search for all the ornaments that we put away so carefully last year. We know exactly where we put them, but they aren't there. Its as if the ornament gremlins have stolen them. The message of Christmas is much bigger than any story pertaining to ornaments that are lost and yet the fact is that for so many people Christmas is lost !!!.

In Dr. Seuss's "How the Grinch Stole Christmas", there is a song entitled "Where are you Christmas?" It is sung by Faith Hill and written by James Horner, Mariah Carey and Wilbur Jennings. Here are the lyrics ... "Where are you Christmas, Why can't I find you, Why have you gone away ? ...Where is the laughter, you used to bring me, why can't I hear music play, my world is changing, I'm re-arranging, does that mean Christmas changes too? The song goes on..." Where are you Christmas, do you remember the one you used to know, I'm not the same one, see what the time's done, is that why you have let me go."

The song concludes with a re-discovery of Christmas, but it is not so much that Christmas has gone anywhere, it is that our perspective on it has changed. If your world is changing, and re-arranging, I want to remind you that the message of Christmas does not change! The message of God's love to the world in sending His only Son Jesus to deliver us from our sins and from our changing realities that tend to dull our senses, is ours to enjoy. It never changes and will be yours to claim this year. I pray that your Advent and Christmas experience will be filled with great and wonderful joy and that that the "grinch" will not rob you of God's eternal Provision. According to Isaiah chapter 9 verse 6 ... "and He shall be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of peace"...unchanging and timeless".

Pat and I would like to wish all of you a blessed advent season, a Merry Christmas and a Happy New Year! Thanking God for every remembrance of you.

In the Name of our Risen Lord and until the next time!

Blessings

Ian Fitzpatrick

Jesus asked us to make disciples. And most of us are doing our best. But it's hard: we live in an age of distraction, where so much competes with the call to follow Jesus, and so much undermines it. ## STEWARDSHIP

### WILLS AND ESTATE PLANNING SEMINARS:

#### **GOD IS LOOKING FOR TRUSTWORTHY MANAGERS**

Isn't it amazing that an awesome, all-powerful God chooses to bring about his kingdom through us? Jesus trained twelve - it is the way God works. He looks for trustworthy people, who he can entrust with resources that can be used for his purposes in our world. "Whoever can be trusted with very little can be trusted with much." [Luke 16:10a] Our generosity to God and his work in our world is a response of gratitude for all He has done for me. It is also a visible expression of my trust in Him and evidence of His faithfulness to me.

As we approach the end of another year, may our generosity ["munificence" - lavish generosity] be evident to all!

#### **WINTER & SPRING DATES AVAILABLE**

Dr. Riley Coulter, Director of Stewardship Services for the Church of the Nazarene Canada, is available to present a Wills and Estate Planning seminar in your church. ## CANADA ATLANTIC DISTRICT (C.A.D.)

Rev. Eddie and Christy Rossiter (*pictured left*) were extended another 4 year call to the Summerside Church of the Nazarene in PEI. Rev. Leon and Diane Teal (*pictured right*) were also extended another 4 year call to the Trenton Church of the Nazarene in NS. Congrats to both pastors and churches as they continue to grow and reach their local communities. Pastor Leon recently graduated from Acadia

University with a degree in Prison Chaplaincy and ministers in the Pictou County prison.

Rev. Mark Bane from Kansas City Headquarters inspired a group of 35 Atlantic Nazarenes with Evangelism and Multiplication Training in Moncton Nov 15-16. He will return two more times to continue teaching how to reach the lost and make disciples.

Approximately 80 youth and leaders met for a NYI rally in Lutes Mountain Nov 22-23 with Rev. Annette Smith speaking. CAD NYI Vice President, Pastor Annette (*pictured right*) will step in now as President as Rev. Bradley Silliker has stepped down. Blessings and thanks to Pastor Brad for his work with CAD youth and our continued prayers and support to Pastor Annette (youth pastor in Trenton NS) as she continues to lead the great youth of our district!

Canada Atlantic District Leaders met in Oxford NS on Friday Nov 29th for their annual Christmas Dinner. Despite the winter weather, a great time of food, fellowship and fun was had as Rev. Tim Cook shared a Celebration Devotional and DS Mark received some early birthday gifts from district secretary Rev. Dale Thistle (as well as a generous love offering from the district churches)

Our thoughts and prayers for our district and country as we enter Advent, that we take time to celebrate and reflect on the birth of our Saviour! Blessings and prayers

### **YOUNG ADULTS MINISTRY:**

As we seek to use the wisdom and experience in the Church to raise up the next generation of leaders, I want to share (with permission) a podcast with Hannah Gronowski. Hannah is the Founder and CEO of Generation Distinct ([www.GenerationDistinct.com/](http://www.GenerationDistinct.com/)), a non-profit that exists to empower young adults to discover the wrong they were born to make right, leading them to experience who Jesus really is.

She has a passion to use her voice to empower others to become leaders God can use to create real change in the world. She has spoken at conferences, churches, college campuses, and youth events around the country and is a speaker with the [Women Speakers Collective](http://www.WomenSpeakersCollective.com).

## CANADA WEST DISTRICT (C.W.D.)

The Church of the Nazarene has a compassionate ministry centre in the Beverly area of Edmonton, Alberta. Since its simple beginning in 2000, when Audrey Dahl would boil up a pot of soup and serve some sandwiches, the centre has grown to now include two part-time staff and is open every Monday, Tuesday and Wednesday from 9 am - 3 pm for light breakfasts and lunches. In addition to thousands of hours of volunteer assistance, this year.

### **Building Hope was able to serve:**

22340 Healthy Meals

1,316 Emergency Hampers

375 Blankets

65 Pillows

860 Pairs of Socks

585 Coats

1038 Other Articles of Clothing

New partnerships are being forged with other community churches and organizations. Building Hope is already at capacity for staffing and for space, yet the need for food, relationships, and social support is only increasing.

The board is looking to develop a stable financial base so as to better serve the basic needs of people in the city of Edmonton.

Building Hope recently held its first annual Harvest Festival. The day was started by "Giving Back" to the community with the "Bless Beverly Garbage Pick." So many friends came together to lend a hand to Beautify Beverly.

After the garbage pick, everyone settled in for a hearty Brunch, filled with pancakes, ham, music and testimonies.

Crafts, scrapbooking, games and other fun activities filled the afternoon. The day closed out with

Hotdogs, music, and words of encouragement for everyone.

## **How the NCM Canada Gift Catalogue funds are spent...**

- a) Livestock** - Last year chickens and goats were purchased for families suffering the impacts of severe flooding in a creative access country in Africa. Cows were purchased for an income generating project for the Bangladesh North District. This is a pilot project where the young cattle are fattened and sold and the income goes to help some of the poorer local pastors (who are bi-vocational and struggle to make a living) and for other discipleship ministries of the district involving the training of church leaders/pastors. Some of the proceeds will be used to purchase more young cattle to be fattened. It is designed to be a sustainable means for a district to fund its own activities.
- b) Livelihoods** - Many of the livelihood funds this year were used for a conservation farming project in Malawi. The project involves purchase of seeds for farmer-owned demonstration plots to demonstrate the conservation farming methods, training in conservation agriculture methods and facilitating visits of farmers to other projects where CA is being practiced.
- c) Wells** - Last year NCM Canada supported the larger NCM program to supply many wells to needy areas of Sierra Leone, Liberia, and Mozambique. The digging of the wells was accompanied by training in sanitation and hygiene and training in the care of the wells. Also NCM Canada funded 3 wells in 3 different villages in Bangladesh.
- d) Anti-Human Trafficking** - NCM Canada supports Shechem House in the Philippines which is a "safe house" for victims of sexual exploitation. Read all about it in the most recent NCM magazine. See "Creating A Home - A Centre in the Philippines for Child Survivors of Exploitation"
- For a free subscription to the NCM Magazine, visit [www.ncm.org/magazine](http://www.ncm.org/magazine). (available also in Spanish). News stand version of the NCM Magazine available in the App Store for iPhone and iPad.
- e) Pastor Support** - funds for pastor support were used to fund discipleship and leadership development program in creative access areas of Africa. This coming year, a large number of pastors in Bangladesh will receive bicycles to help them with their ministry.
- f) Child Development** - funds were spent for school supplies at Zukuma Nazarene School in northern Malawi and for school supplies and sports equipment for child development centres in central Malawi.

**g) Disaster Response:** Some disaster response funds were used to ship containers of (dried) food to Malawi and Mozambique following flooding this past year. NCM Canada is also now pre-positioning some disaster response funds to help local churches in Canada respond to disasters in their communities.
