Long Beach City College and the European Studies Association [ESA] invite you to participate in an exceptional educational experience: **Summer Study in Paris 2019.**

Since the Middle Ages, Paris has drawn students from around the world for university studies, its culture and for the experience of its cosmopolitan lifestyle. Celebrating our forty-second annual program, we have the faculty, the background and the knowledge to make your month in Paris worthy of one of the world's great capital cities. In addition to language classes, you will improve your knowledge of French culture through our rich civilization course—visits, lectures and walking tours. We include the Louvre, the Musée d'Orsay and Parisian neighborhoods, as well as an introduction to French history.

On weekends we will also visit Normandy and its historic capital of Rouen, charming Honfleur, Monet's home and gardens at Giverny, the town and castle of Fontainebleau, and royal Reims, where the French kings were crowned. We won't neglect daily life in Paris either. Additional activities include Versailles, gourmet dinners, performances and more. The quality of our program is shown in the number of participants who repeat it!

LANGUAGE PROGRAM CHOICES

ESA offers you two language program choices in addition to the civilization course and cultural activities:

15 hours of French class per week at the **Institut Catholique de Paris** (see below)

OR

Survival French Conversation Course:

A French conversation class with practical skills, vocabulary development and discussion, taught by ESA faculty. This course is for students with one or more years of previous French. LBCC French 8, (3 units).

The Institut Catholique de Paris

The Institut Catholique de Paris, a private French university of international reputation, will provide your French language instruction. Universities world-wide recognize and regularly grant credit for its excellent language courses. The Institut is located in the St. Germain des Prés area in central Paris, very near our dorms. There you will meet students from around the world, who, like you, have come to Paris to take advantage of the Institut's fine teachers, up-to-date materials, and small classes. Like many private universities in the US, the Institut has a religious affiliation, but instruction is non-sectarian. ESA, the largest group at the Institut summer session, will handle pre-enrollment formalities. A placement test will determine which course level is most appropriate for you.

Institut Catholique Courses

(highly recommended for intermediate and advanced students)

French language courses, elementary to advanced:

15 hours per week [3–5 semester units]

These classes offer high quality language instruction in conversation, grammar, culture and reading. Classes average 20–25 students and use up-to-date materials.

COMMENTS FROM PREVIOUS PARTICIPANTS

“It was better than anything I could have imagined.”

“Overall great experience...Great program....Amazing experience!”

“Everyone was really welcoming and all the professors made themselves available to any need we had.”

“The program exceeded my expectations—from the fancy dinners, the activities and the day trips.”

ESA FACULTY

The program is led by Dr. Tom Blair, Dr. Terri Nelson, Prof. Camilo Bonilla, Prof. Rebecca Ebin, Prof. Charlotte Jackson, Prof. Philippe Kreiter, Prof. Francine Rozenkopf, and Dr. Lynn Vogel-Zuiderweg.

Our faculty help introduce you to Paris (and French) life through its language, customs, history and culture. Our faculty include native speakers in French and all have spent extensive time in Paris. They can help guide you to the secret spots in the city loved by locals but ignored by tourists. They'll also give you a top ten list of things to eat (Paris is the gastronomic capital of the world), take you on impromptu visits of Parisian neighborhoods and help you find sites that match your interests (e.g. music, architecture, art and sports). Each brings his or her college-teaching experience, love of France and enthusiasm for sharing Paris with you to the ESA program

ACCOMMODATIONS

Students stay in a well-located dorm in the St. Germain des Prés area of Paris. Each dorm has comfortable public areas—lounge, TV room, student kitchen, library, etc. To suit your tastes, each dorm provides either daily breakfast and dinner or breakfast only. More detailed descriptions of the dorms with photos can be found on our website, esaparis.org. Apply early for maximum choice. Single rooms are available at a supplement.

MEALS

ESA accommodate students' tastes. Continental breakfast is provided at the dorms. Some dorms also provide week-night dinners. You may also take advantage of the student kitchen. We have lists of recommended restaurants in our *Paris pratique* website.

TRANSPORTATION

ESA has arranged a group flight on Lufthansa Airlines to Paris. Students taking the designated flights receive transfers to the dorms at no charge. Students may choose to make other arrangements, but they are then responsible for arranging transportation to the dorm.

“ Such a great program and truly a bargain. My dorm felt like home + a good hotel + summer camp. The museum visits are outstanding, the language program? C'est magnifique et formidable! ”

ACADEMIC CREDIT

Various options for academic credit are available for an additional fee, depending on the institution granting credit and the number of units taken. Our affiliate colleges require course enrollment. Information may be found on the program website, esaparis.org, and is distributed at program orientation meetings. Enrollment must be completed before departure and submitted no later than May 25.
