

The Vanishing Rainforest Task

Hi everyone,

I hope you enjoyed the story, I chose it because I think it is important to think about the tribes in the rainforest as well as the trees and animals.

Your task is to choose a part of the story and write a diary entry for Remaema.

Some ideas to help you

How would she have felt hearing the machines chopping down her home?

How would she have felt meeting Jane?

What about the Nabe preventing her from finding a tree that could have helped her friend when he was sick?

How would she have felt about what Rikomi had to say?

Would she have been happy about the tourist huts being built next to her tribe?

I look forward to reading your diary entries!

See you soon,

Miss Hirst
