

RE Task 1

Who are the Ten Gurus and why are they so important in the Sikh religion?

In Class, we learned about Guru Nanak - The founder of Sikhism and the first Guru.

Remember, Gurus are not Gods but more like saints - holy and special people who served God and inspired others.

Your task is to research some of the other Guru's and create a poster/information sheet with a drawing of your Guru and some facts about their teachings.

For example:

Guru Arjan (5th Guru)

Guru Har Gobind (6th Guru)

Guru Tegh Bahadur (9th Guru)

Guru Gobind Singh (10th Guru) - We did have a brief look at this story during our festivals topic. How much can you remember?

Reflection - In your own words.

If you were following these Guru teachings how do you think it would affect the way we live today?
