

DVCA Administration Rule Changes 2019-20

Under **A19 - Club Behavioural Policy**, the following clause has been included,
“Any club incurring more than 3 suspensions in the one season shall be placed on a “3 Premiership Points” bond. Should a club breach this bond during the season by incurring a further suspension, then 3 premiership points will be deducted from each of their senior teams. If the bond is breached during the finals, all senior teams will commence the following season 3 points in arrears.”

Under **A3 - MyCricket Deadlines**, include in the table,
“Clubs have until the Friday after a match to challenge the result of a match and any subsequent ladder positioning for all Senior and Junior grades. Otherwise, results will stand.”

Under **SA4 - Eligibility of Players and Substitutes**, include the additional dot point,
“Shield Grade players cannot be dropped more than one team at a time during a current season, unless during finals if their club has consecutive teams playing. The exception will be if the player has been unavailable for at least 3 consecutive matches.”

Under **SA2 – Team Entries, Gradings and Fixtures**, include the following clause.
“If a club forfeits on or before Day 1 of a two-day match, and Day 1 is abandoned in all matches in that grade, the forfeiting team has the opportunity to field a side the following week. (A reduced penalty will apply).”
