

Dear Friends,

Angel Hands Art Foundation (AHAF) has supported charities benefiting disadvantaged children for the past 5 years through the sale of the artwork of now 10 year old artist and philanthropist, Savanna Williams. Our organization continues to look for ways to be a service to the children in our community and champion the arts. Next year we will host a free workshop focused on developing the interest for the arts for low income students.

A large number of children are limited to the exposure of the arts outside of what they experience in school. Many art programs have been minimized financially especially in distressed school districts. Angel Hands Art Foundation is hosting a visual and performing arts workshop March 24, 2018, at Evangel Church to provide 4th – 8th grade students an opportunity to learn more about the arts through hands-on instruction. We need your help to make this a successful event.

You can help us accomplish this amazing endeavor. Your financial support is crucial in our efforts to provide a free workshop to the students. A donation of \$500 (or any amount), will go a long way toward helping us achieve our mission of expanding the awareness of the arts to disadvantaged youth.

Thank you in advance for your contribution. Your contribution will go toward supplying the materials needed for each student participating in the workshop. See page 2 for an itemized list of the art supplies that will be used and the cost.

Here are the ways you can make a donation.

-Make a donation online at www.angelhandsart.com

-Send a check to
