Countdown to 13th May 2019

13 weeks (10 school weeks)

Revision should now be in full swing!

8th February 2019

Dear Parent/Guardian,

This week

- Students have been able to see their current effort levels in the HOH office. Meaningful conversations have been had with students with their HOH and form tutor.
- Study support afterschool again this week has been extremely well attended and staff continue to praise efforts from students who are consistently attending and actively engaged. Please ensure that your child does attend as there are only 8 more weeks left of study support.
- 60 students are receiving mentoring once a fortnight from both teachers and support staff, to provide additional support and guidance. This has been well received by the students.
- Only one week left to half term! Do you know how your child is going to use the time during half term to prepare for their GCSE's? Have you seen their revision timetables?

Next week

- Archbishop Ilesley Sixth Form interviews will take place during tutor time.
- A Maths convention will take place on Friday 15th February.
- Some students will get the opportunity to meet Anna Turney, who is a British alpine skier and has represented Great Britain at the 2010 and 2014 Winter Paralympic Games.
- The next round of Rhino badges will be given out before the students break up for half term! This will be celebrating the hard work and effort of students so far this term.

During half term

- Mr Brookes is providing a great opportunity for all Media students to complete their coursework on Monday 18th February from 9:00-3:00. Further details will be sent to those students.
- Mrs Laishley is providing a fantastic opportunity for all Music students to complete their coursework and compositions on Wednesday 20th February from 9:30-3:00. Further details will be sent to those students.
- Pizza will be provided for those students during those days.
- This is a great website to help your child in their revisions and how to remember information.
