Angels in America

part one

written by Tony Kushner
directed by David Postill & Scott Bradley

Angels in America Part 1: Millennium Approaches **is Tony Kushner's part one of a two part epic piece of theatre.**

America in the mid-1980s. In the midst of the AIDS crisis and a conservative Reagan administration, New Yorkers grapple with life and death, love and sex, heaven and hell. ***Angels in America*** **manages to be, at turns, hilariously irreverent and heartbreakingly humane. It is also astonishingly relevant, speaking every bit as urgently to our anxious times as it did when it premiered.**

Winner of the 1993 Tony award for Best Play and then again in 2018 for Best Revival of a Play.

By arrangement with Hal Leonard, Australia Pty Ltd, on behalf of Josef Weinberger Ltd London

This play contains strong language and adult themes
