All the times are when we intend to start sailing, so participants should be at the Club an hour or so before those times, to eat lunch, get changed and get the boats ready

We have twelve Club boats available for use, and access to various other Members' boats.

Anyone bringing their own boat along is very welcome, otherwise the boats will be allocated in order of application. The water will still be cold in June, so wet-suits and a wind-proof covering will be required as clothing (in addition to a buoyancy aid)

Please get in touch with Ian Day ([ian@day-li.com](mailto:ian@day-li.com)) or 0781 484 2556 ) if you / your children or grandchildren would like to participate in these sessions
