
Epson TM-U590 Series

DATASHEET / BROCHURE

Banks, hotels and restaurants will find endless uses for this multi-part, wide slip printer

Epson TM-U590

Multi-part, wide-slip printing

This fast wide-slip printer is extremely versatile and capable of handling a wide range of slip, cheque and invoice applications, as well as multi-part slips (four copies) up to 88 columns in width. It is ideal for environments such as banks, hotels or restaurants.

Fast and flexible

Its flatbed design makes paper insertion easy, speeding up transaction times and reducing queues at the point of sale. The TM-U590 features ESC/POS, providing high levels of flexibility and an easy upgrade path. Printer operation status is provided by the Automatic Status Back function.
