

CET

Certified Environmental, Safety and Health Trainer

November 7-10, 2016

Prof. Tariq Aldowaisan

BSCP CET, ASP, CSP

ASQ CMQ/OE, CSSBB, CQE, CQA

Overview

The Certified Environmental, Safety and Health Trainer (CET) of the Board of Certified Safety Professional (BCSP) is a certification held by those with experience in designing, developing, and delivering safety, health and environmental training. The CET measures an individual's knowledge of the theory and practice of basic adult education. It also confirms knowledge and experience in the SH&E specialty area(s) in which they teach.

The GLC philosophy is to enable and equip the participants with the knowledge, skills, and support they require in order to pass the exam. The instructor, Prof. Tariq Aldowaisan, has hands-on safety and extensive instructional experiences, as well as BCSP professional certifications in ASP, CSP and CET.

Course Objectives

- Prepare participants for the CET exam
- Enhance participants' professional competencies

BCSP CET Topics

- Introduction & CET Exam Process
- Study Skills & Exam Prep
- Communication & Interpersonal Skills
- Training Needs Assessment
- Training Course Design & Development
- Performance Evaluation
- Course Administration & Management
- Training Implementation & Program Evaluation
- Final Review for the CET Exam

CET Exam Eligibility

According to BCSP, to be eligible for CET, a candidate must:

- Have a minimum high school diploma
- Hold ASP, CDGP, CFPS, CHMM, CHST, CIH, CMIOSH, CRSP, CSP or OHST
- Have a minimum 270 hours training/teaching
- Pass a 4-hour multiple-choice CET Exam

Instructor

Prof. Tariq A. Aldowaisan holds a Bachelor (1983), Master (1986), and Ph.D. (1990) in Industrial and Management Systems Engineering from Arizona State University. He is a Professor of Industrial & Management Systems Engineering at Kuwait University, where he teaches engineering statistics, safety and health for engineers, ergonomics, and quality. He is a Certified Safety Professional (CSP) and a Certified Environmental, Safety, and Health Trainer (CET) by the American Board of Certified Safety Professionals (BCSP). He has an extensive track record of professional consulting and training in health, safety, and environment; e.g. Kuwait Oil Company, Kuwait Foreign Petroleum Exploration Company, Kuwait Energy Company, and Ministry of Defense.
