ALLISTON HORNETS JUNIOR HOCKEY CLUB

OUR FACILITY

The 130,000 square foot state-of-the-art Town of New Tecumseth Recreation Centre opened October 2007. It is a year round facility that houses a Fieldhouse, two NHL-size ice surfaces, and a dedicated Hornets-only dressing room.

THE LEAGUE WE PLAY IN

The Hornets play in the Carruthers Division of the PJHL (formerly the GMOJHL), one of the best developmental and most competitive Junior leagues in the province.

The Hornets have been the League Champion for ten of the past twelve seasons. During this time, the Hornets have been Ontario finalists five times, and Ontario Champions twice.

We play a predominantly weekend schedule perfect for players who work through the week, and students in High School, University, or College. Our schedule allows students the ability to maintain a strong academic foundation while furthering their hockey development and continuing to play competitively.

HONOUR THE TRADITION... BE A PART OF OUR FUTURE
