National Evangelisation Teams

Love What You Do

NET missionaries experience an amazing nine months of evangelisation and formation, lived with a team of four to nine other young people.

Our missionaries reach out to and pray with over 20,000 youth across Scotland, England and Ireland every year.

The deepest identity of the Church is to evangelise, and each NET missionary lives this identity to the full. They serve as radical witnesses of faith, going against the tide and sharing the Gospel message with each person they encounter.

ROAD TEAMS

What is a Road Team?

The Road Team travel from school to school all around Scotland and England to share their faith with the youth.

Retreats

Team members use a retreat format that blends a fun, high-energy experience with a presentation of the Gospel message to show how Jesus has personally affected their lives.

"I ASK YOU, INSTEAD, TO BE REVOLUTIONARIES, I ASK YOU TO SWIM AGAINST THE TIDE..." - POPE FRANCIS

What about you?

Not enough young people are standing up for their faith and stepping out of the boat to become missionaries.

The Church needs people like you to go out to the world and make a difference. Jesus is alive and the world needs to know that.

Will you respond to the call?

LOCAL TEAMS

What is a Local Team?

Living and working in a parish, journeying with young people as companions in life and faith.

Parish and Local Community

Local Teams seek to be a visible presence in the parish and local community. They provide a link between schools, parishes and families. Their goal is to promote a vision for youth ministry that will have a lasting impact.

"If God can work through me, He can work through anyone" - St. Francis of Assisi
