Dear Ms. Metrick;

Congratulations! The Kutztown Strong Community Coalition was nominated and selected as the co-recipient of the 2014 Council on Chemical Abuse's Annual Joseph "Bud" Haines Community Award. This award is presented for the ongoing commitment to the prevention of drug and alcohol use in the community. Individuals, organizations and/or community groups eligible for this award include: prevention specialists, human service professional, volunteers organizations and/or groups working directly in the community to promote resiliency to drug and alcohol use issues and their related problems.

The Council on Chemical Abuse will be presenting its award to you as part of our lunch presentation at our 2014 Annual Conference. I invite you and a guest to join us for lunch at the Crowne Plaza Hotel in Wyomissing, PA on November 6, 2014 as part of the celebration.

Ms. Metrick, I will also need a little information from you about Kutztown Strong so if you would kindly please email to me any information that you have at deisenhauer@councilonchemicalabuse.org it would be appreciated. I will also need to take a photo of you for the luncheon presentation so please let me know when this would be convenient for you. Again, congratulations and I look forward to seeing you and your guest at the 2014 Council on Chemical Abuse's Annual Conference.

Respectfully yours,

Andrew G. Eisenhauer, M.Ed., CPS, CRS
