BSSFN 2017

With the UK DBS network

The 2017 meeting of the British Society for Stereotactic and Functional Neurosurgery will be held jointly with the UK Deep Brain Stimulation Network on May 25th-26th in Oxford. We have an exciting programme including international guest speakers, as well as free paper and poster sessions and the BSSFN AGM. There will be a drinks reception and dinner on the evening of the 25th and the opportunity of some quintessentially Oxford entertainment beforehand.

Venue: The Andrew Wiles Building, Woodstock Road, Oxford

Registration: This is now open. Please fill out the registration form and email it to the same address above. Registration is £80 for the whole meeting, or £40 for those attending only on the 26th.

Posters: Posters can be viewed at any time during the meeting in the area outside the lecture theatre.
