Notes:

- **Class size is limited, so register soon!**
- **Parking – Free in the designated public parking areas**
- **Lunch will be on your own each day. There are several great venues nearby.**
- **FREE 2-DAY Training Program** to obtain state qualification from the Florida Department of Environmental Protection’s Stormwater, Erosion, & Sedimentation Control Inspector Qualification Certificate Program. Priority will be given to those who work in the construction, inspections, or environmental fields.
- **FREE course manuals** will be provided for each attendee. Bring your own pens, highlighters, sticky notes, etc. as these will not be provided by the instructor.
- Late registration and sign-in begins at 8a.m. on Day 1 and class begins promptly at 8a.m. and ends at 5p.m. The Day 2 class will begin at 8 a.m. and end shortly after the proctored closed-book examination given.
- **FL Licensed General Contractors will earn 8 hours continuing education units (CEUs)**
[Provider Number: **0001229** and Course Number: **0002207**]
- **FL Licensed Professional Engineers will earn 8 hours Professional Development Hours (PDHs)***
[FL Professional Engineer’s License Provider Number: **0004094**]
**Please note that PE attendees are self-reporting by providing a copy of your passing certificate when audited by the FL Board of Professional Engineers.*
- **FL Association of Code Enforcement (FACE) officers will earn 12 CEU's** by providing a copy of your passing certificate to the UCF office.

IF YOU CAN, please stay for the Florida **Muddy Water Blues Workshop** (or attend separately) on Thursday, May 11th for our **FREE Erosion & Sediment Control BMP Technology Transfer Workshop** and learn more about best management practices for erosion and sediment control during construction activities. Learn practical information and view a variety of products from numerous vendors which will help maintain compliance and improve surface water quality during and after construction activities.
