

# WHANGAROA COLLEGE FORTNIGHTLY UPDATE

28th May, 2018

4197 State Highway 10, KAEO PO BOX 126, KAEO PH: 09 4050199 EMAIL: office@whc.school.nz

Kia ora whanau, a huge congratulations to all of our students of the week. We have adapted our assembly and now have the student of the week and house of the week presented during this time. We are also having each house lead assembly and there have been some exciting changes; more interaction and student involvement. Whanau are welcome to attend these assemblies, 1.10pm every Wednesday.

It is that time of the year when the temperature drops, and people are getting sick. It is good to stay home and recover for a day or two and get better. If your child is sick please contact the office ph: 09 4050 199 to let us know.

Our school is hosting the Year 9/10 Boys Rugby League again this year, next Tuesday 29 May. Unfortunately we are unable to field a team but are happy to tautoko this event and contribute with referees, scorers and helpers. Come down and watch other teams from the Far North.

Many opportunities are being delivered for students to participate in and we would like to see more student involvement. Please encourage your child to get involved but they need to sign up asap.

**AIMs games** - training has started and we are looking for more committed Year 7 & 8 students to get involved. This is the most amazing sporting event, check it out online at <http://www.nzaimsgames.co.nz/> For more details email Marty LeRoy info@3rdbase.co.nz .

**Science & Technology Fair** - students can develop their own science fair projects to be chosen to go into the Far North Regional Science Fair. This is an extra-curricular activity but we will work with them to develop ideas and work through the scientific and technology process. We have this term to work on these. For more details come and see Ms Ferris or contact her at af@whc.school.nz.

**Wearable Arts** - you don't have to be in the Wearable Arts crew to design an outfit from recycled materials. Make it a whanau affair and create something at home. Get your entries in now. All ages can be involved and further info can be found on our facebook page Trash-to Flash 2018. Contact our Whanau Focus Group at trash2flash@gmail.com from more details.

Have a great week!

## PERSIMMON SALE

We still have a few bags of Persimmon for sale at the school.  
Prices are reduced.

**\$3 per 1.5kg bag.**  
**2 bags for \$5.**

## SERVICE POD WORK EXPERIENCE

This term will be full on for our Service Pod students. All of the Year 12's will be participating in work placements in Customer Service, Tourism Operations, Hairdressing and Early Childhood Education. We would like to thank all the businesses for their time and commitment with our students. Below is a list of where these students will be working.

- Capri Bruce** - Image Hair and Beauty, Kerikeri
- Casey Kemp-Bruce** - The Chop Shop Salon, Kerikeri
- Nikita Davis** - Redwoods Café, Waipapa
- Moana Hape** - Fullers Great Sights Cruises, Paihia
- Leila Terry Isherwood** - New Beginnings Centre, Kerikeri.

Many thanks to Yvette Gillanders for her help in organising these placements.

**Mental Health  
Foundation  
of New Zealand**

Kia ora

As you may have heard, Netflix has released Season 2 of the popular teen drama *13 Reasons Why*. We're sending this special notice so parents, guardians, whānau and other support people are aware the show is out and know some viewers may be distressed while or after viewing it.

The show is about a 17-year-old girl, Hannah Baker, who dies by suicide. Season 1 explored the 'reasons' why Hannah felt she had to kill herself and Season 2 features a trial between her parents and her school trying to decide who's to blame.

The show features graphic scenes of suicide, rape, assault and bullying.

**The chief censor has rated it RP18.**

In partnership with other organisations, the MHF has developed an **information hub** for viewers of the show and their support people, that includes:

- **Tips for supporting viewers**
- **Answers to frequently asked questions about the show**
- **Information, helplines and resources for some of the specific issues covered in the show** (such as having suicidal thoughts, rape and unhealthy relationships)
- **A series overview**
- **Episode recaps**
- **A discussion guide**

While we know most young people will not be distressed after watching the show, the issues it explores do affect young New Zealanders. Statistics show 20% of viewers will have experienced a mental health problem in the last year, 1/3 female viewers and 1/5 male viewers will have been sexually assaulted and many will have been bereaved by suicide. For these people, viewing *13 Reasons Why* may be a deeply distressing or traumatising experience.

For others, *13 Reasons Why* presents us with an opportunity to join the conversations young people are already having about these subjects and provide guidance, advice and support. We hope the information we've provided helps you have supportive conversations with your young people.

Nga mihi,

**Sophia Graham**  
Communications and Marketing Manager  
Mental Health Foundation

PRESENTED BY THE SOCIAL EXPERIENCE ELITE PARTNER THE LOWLY CONZ
