Dear Families and Staff:

Nothing is more important than the safety of students and staff. Over the last few days, several New York City schools have received threats via social media. The NYPD was immediately notified and determined the threats were not credible.

We are monitoring the situation and will continue working closely with the NYPD to ensure the safety and security of all school buildings. If any threats have been made directly to you or your student, please report them to the NYPD.

Sincerely,

Mary Ellen Beirne  
Principal
