

## Your gateway to success in Asia-Pacific Success Stories

### 1st partner centered on sustainable development

#### Who is ADS Tourism:

- A growing consultancy firm founded by Nicolas Dubrocard in 2016. He has put together a great network of sustainable development experts in Europe, Africa and Asia. They are recognized by various official organisms to deliver recommendations and labels to hotels and other major complexes. They are the experts entitled to assess and highlight organizations premises eco-friendliness with wide coverage over 3 continents.

#### What has been done:

- Market research to assess opportunity across South East Asia.
- Focus on a few targeted markets with in depth analysis and guidance on a regional approach and strategy.
- Setup of their company in Hong-Kong in a few weeks.
- Introduction to key players in the selected markets and representation of ADS Tourism in a few countries to ensure their best interests in South East Asia.

#### What's next:

- Open up new markets for ADS Tourism in Asia through our extensive network.
- Help the Founder and CEO to find new qualified talents to join his team as they are appointed for more missions in the region.

*"N-Strategy Consulting Services Team have done such an amazing job at guiding us through the steps of setting up our entity in Asia as well as our market entry. Their service quality is top notch yet affordable for an SME like us. I can only recommend any company out there to get consulting and guidance from them as and when they want to set foot in Asia-Pacific, they are an A-Team of experts."*

*Nicolas D. Founder and CEO of ADS Tourism.*
