Following God's Plan

Hope for Kids Mexico would like to thank all of you for your past support in the building of a Pre-K through 6th grade school. In 2014, Eagle College Elementary School added 7th grade and then in 2015, an 8th grade was added. The completion of the last three classrooms brought the building to its capacity. Today, over 200 children are being loved and are learning about God's plan for their life. But what about grades 9 through 12?

The Board of Hope For Kids Mexico started its mission in 2007 with the dream of a Christ-based education on a single campus for all children. That is still our vision today! It is essential that we complete our mission with building of a middle/high School within the next two years. If a high school is absent, lives will be lost to the corruption of the city. By following God's plan, we can equip these students with life skills enabling them to give back to the community and to have a positive influence on those around them. Eagle College is about changing lives and we have already seen so many evidences of that happening through these students!

Once again, we need your help to go where God is leading and for this to become a reality Hope for Kids Mexico needs \$350,000 to complete a campus through the 12th grade. What a blessing that would be to the community!

Change in Board Members

Thank you to the following retiring board members: Bob Ebels, Joel Glashower, and Nick Weeber.

Welcome to five new board members: Jamie Lanser, Kathy Tryce, Matt Gritter, Ruben Rivera, and Bill VanderVliet.

Banquet Celebration!

The annual Hope for Kids Mexico Banquet was held on Wednesday, October 14 with over 150 in attendance. Greetings were given by Pastor Ramon Solis, Director of Eagle College and a video presentation followed. Lucy Garza's video depicted some background of the city, history of the school, and an update of the present campus. Expansion is needed for a middle/high school. Approximately \$22,000 was collected/pledged by many long-time and also new supporters. We are grateful for this support as we anticipate God's plan for a new middle/high school.

An Update from Maggie Pung

(a teacher at Eagle College from Zeeland and a member of VictoryPoint Ministries)

"Everything has been going wonderful down here. It's been tough, busy and stressful...but oh so rewarding!

Sometimes I get attacked with hugs from my first graders trying to stop me from leaving the room and I have to sneak out of class so they don't notice!

I am trying amazing new food, meeting great new people and growing closer to the Lord. I am so blessed with the most caring family here, and one pretty cool, co-teacher/new older sister (MacKenzie). I know one thing for sure; I'm right where God wants me and knowing that alone is enough!!

A big thank you to everyone for their thoughts and prayers. They are working."

Just in time for Christmas!!

A friend of HFKM, Pam VanderZwaag, displays some of the wool mittens that she has hand made. She is generously selling the mittens for \$20 a pair with all of the proceeds going directly to Eagle College. All sizes for children and adult are available. Thanks Pam! To place an order, call Jane Brouwer at 616-644-1221
