Please enroll our business in the Merchant Access Program which enables us to advertise and promote our business to Access members from associations, employers and other organizations ("Organization"). We agree to the following:

- a. **Custom Promotional Offers:** We have established the loyalty offers described herein to attract new customers and reward repeat customers from Organizations.
- b. **Promotional Control:** We may change our promotional offers as needed to build our profit.
- c. **Free Advertising to Organization Members:** Access will advertise our business, including our logo and the offers we establish, through websites, mobile advertising, personalized email, savings cards, and printed materials, where applicable, to the members of participating Organizations. Offers and business information may be truncated to improve promotion display. We will not use any Access logos or trademarks in any advertising or promotion without prior written approval from Access.
