

Since 2006 our team of accountants, consultants and bookkeepers have been passionate about your success.

We understand that to be successful in business you need to achieve both personal and business goals. So our approach is holistic, innovative and proactive.

At Sass, we are continually looking at ways to improve business performance - and we walk the talk! We like to develop partnership relationships with our clients and work closely with them to ensure their business and financials are as efficient and effective as possible; and of course all leading towards their goals.

Fixed Fee Packages
The Smart Choice

Choose the right Fixed Fee Package for you...

We have four fixed fee packages to make it easier for you and your business. No matter what size your business, or what business you are in, we have a package for you. You pay a monthly fee for a bundled package of services, meaning there are no surprise bills, making it easier for budgeting. We can customise any of our packages; just give us a call.
