

## WINGSWEST Southern Ecuador Trip Jan 2013

This is the bird list for Southern Ecuador Trip Jan 2013. The pre-trip to the research station Un Poco del Choco took place in nw Ecuador, north of Nanegalito and included a stop at a lodge on the Rio Alami. Species names follow the current S.A.C.C. nomenclature. Where they differ with Ridgely I have put the former name in parentheses. Southern Ecuador specialties are highlighted in black.

Total Species: 381
