A little green caterpillar

A little green caterpillar looked at a leaf
And his tummy was starting to _____:
'Mummy has told me to eat up my leaves,
But I'd far rather eat apple _____.'

Then the fat little caterpillar looked at the sky:
'Now why is the sky very _____?' –
And 'How do I get to see more of this world?
Oh my goodness – just what must I _____?'

A butterfly flew to the leaf next to him
And noticed he'd started to _____.
'Now you hurry up and get on with those greens
And soon you'll be able to _____'

'But my world is so boring with nothing to do
Except eating my greens every _____.
I want so very much to be lovely like you
And fly through the world and then _____.'
