

# **Beginning Band Extended Break Practice Guide**

## **Band Red Book**

### **Free!!! Band Book Practice Application!!! Includes:**

- Video Lessons for your instrument
- Recorded play-along accompaniments for each song in the book
- Option to record yourself playing and send to your teachers e-mail
- Options to slow down tempos for easier practice skills
- Mr. Brown tried this... it's pretty cool...

### **Instructions (All on the inside of the CD flap in the back of the book! Do you have it!?)**

1. [www.kjos.com/ips](http://www.kjos.com/ips)
2. Scroll Down until you see an option to download on laptop or Mac... download it.
3. Install after download
4. Follow the Steps when the application opens. Your Access Key Code is in that inside flap in the back of the book.
5. When asked for a teacher email use [RobertsonMatt@neoshosd.org](mailto:RobertsonMatt@neoshosd.org)
6. Figure out how to use the program... have fun!
7. BTW, the recording only works if you have a microphone on your laptop or PC

## **Percussion**

- Here is a play along for your snare book:
- <https://www.youtube.com/playlist?list=PL99WvWb5qHz0izpr0PF3ThQ12hkQ1URCE>
- In addition, it would be great as you have plenty of material to read other than your snare lessons, rudiment work could be very beneficial. Set up a FREE online lessons account <https://onlinelessons.tv/en/> and take the course on "Mastering the Rudiments". After this there are tons of other free lessons to check out.

## **Additional Resources**

- We have updated and reorganized the resources on our band website: <https://www.neoshoband.com/resources>
- We will also post some listening and other materials to check out.
- Stay healthy, safe, busy, have fun, and be positive.
