

EMERGENCY RESPONSE CODES

LOCKDOWN CODE RED

Find a secure place to hide. Lock your door and turn out the lights. Remain quiet and stay away from windows. If you are near an exit and can safely vacate the building, do so with caution.

SHELTER IN PLACE CODE YELLOW

Clear the hallways. Go to assigned shelter locations for Tornado drills. ERT will respond to medical emergencies.

HOLD AND SECURE CODE GREEN

Exterior doors are locked. No one let in or out of the building. Regular routines within the building.
