Introducing the Class of 2019

We are excited to introduce you to the three young ladies who will graduate from the Shellee Morrison Christian Learning Center on Friday, May 17th. Our graduates are Belle, Savanna, and Tonisha, and each has been working diligently over the last several months to complete their academic coursework. We are proud of their accomplishments and we wish them well as they pursue their future plans. Here is a little bit more about each:

Belle is from Buhler, KS, and has been accepted to attend Oklahoma Christian University in the fall. She also has been awarded their Eagle Scholarship of \$5,000 per year.

Savanna is from Oklahoma and has enlisted in the United States Army with a tentative start date of early this summer.

Tonisha is from Oklahoma and has chosen to attend WSU Tech in the fall, with plans to study to become a Surgery Technician.

Congratulations Graduates!

2019 Daughters of the King Ladies Brunch Recap

Oh what a fabulous time we had at this year's Ladies Brunch, an annual fundraiser benefiting the sweet girls of Carpenter Place through an amazing time of food, fellowship, and shopping with ladies from around the area and state. We were so blessed again to have Copp Media making this wonderful morning together possible. In addition, many local businesses, churches, individuals, and service groups came together to create the largest silent auction this event has ever seen! In addition to wonderful opportunities on the silent auction, attendees enjoyed great shopping from local boutiques and artisans, all donating a portion of their proceeds from the morning to benefit our girls. Thanks to Nancy's Amazing Catering, we once again had a beautiful and delicious brunch. Once tummies were full, we jumped into our new addition this year - a "Blessings Ball/Box" - which maybe didn't go quite as expected, but raised some money and resulted in lots of prizes and two winners of nearly \$200 of fabulous donations from Wild at Heart Boutique. Our beautiful speaker, Cindy Tandy, shared her amazing experiences in Peru and encouraged all of us to "Keep On Climbing" with her motivational message. And, the morning was topped off with another fabulous runway show thanks to Moxie Sass & Class and Wild at Heart boutiques. A huge thank you to all who contributed to making this morning a huge success. Over \$16,000 was raised to benefit Carpenter Place and our deeply hurting young ladies. We pray you were as uplifted by this morning as we were and hope to see all of you, and your friends, again next year!

Carpenter Corner

- The Beta Sigma Phi Charity Ball was held on Saturday, Feb 23, with proceeds of this event going directly to support the Handle with Hope campaign project. We are so thankful for all who were in attendance to help our girls and support the work at Carpenter Place. The total proceeds of this event will be presented to us on April 25th at the annual Beta Sigma Phi Founder's Day Dinner. We are also thankful to the chapters who have come out recently to spend time with our girls doing craft projects, playing games, and sharing meals and time with us!
- Carpenter Place was selected by the 20th Century Club to receive \$1,000 from the proceeds of their recent event. We are so thankful for their contribution and support of our girls. This gift will be attributed to our Handle with Hope campaign, which will be matched through two matching gift programs - which will TRIPLE the amount!
- Augusta Church of Christ hosted our CEO, Ben Zickafoose, on Sunday, March 10, for an update on the work at Carpenter Place. Thank you so much for allowing us to come and share the ways we are able to help hurting girls. If your congregation would like to receive an in-person update, please call us at 316.942.3221 anytime to schedule a time for us to come for a visit.
- The south "Groceries for Girls" run was conducted Thursday, March 21, and we are so thankful for the congregations that support this program. Each item gifted truly helps us restore hope to the girls at Carpenter Place. If your congregation would like to learn more about the Groceries for Girls program and how to add your church to one of our routes - we would love to talk with you!

The Pryor-Camp Bell Rings Loudly for Lilli!

The goal of our Christian Family Program is to walk with a family and their daughter through past hurts towards a restored relationship and successful family reunification. One of our greatest joys is seeing a family complete our program and have their daughter be reunited back home! One of our traditions is to mark this special occasion by having the girl ring the Pryor-Camp Bell in honor of her hard work and accomplishments - letting all around know she is going home! Recently, we celebrated this milestone with Lilliana as she was able to go back home to Texas to be with her family once again. Lilliana, we are proud of you, and we look forward to hearing about all of the great things God will do in your life.

Rejoicing with Carly

We rejoice with Carly in her decision to be baptized at East Point Church of Christ on Thursday, May 21st. It was a very special moment as her father baptized her, surrounded by many family and friends. Congratulations Carly on your amazing decision!

Please join us in praying for Carly as she learns to walk as a new child of Christ, and for all of our girls in their faith and their journey at Carpenter Place.

Gifts in memory or honor are a wonderful way to restore hope to the girls at Carpenter Place.

Carpenter Place is GuideStar Platinum!

Carpenter Place is excited to announce we just earned the 2019 Platinum Seal of Transparency from GuideStar, the world's largest source of nonprofit information. By sharing certain metrics, we're helping to provide more extensive information to move beyond simplistic financial ratios to assess nonprofit progress. We chose to display quantitative metrics such as number of successful reunifications home, academic progress, and outcomes-based analysis to represent how hard Carpenter Place is working toward fulfilling our mission. By providing public disclosure of the work we get to do, our hope is that there will be continued confidence and support of the work at Carpenter Place for many more years to come.

We're proud to use GuideStar Platinum to share our full and complete story with the world. To reach the Platinum level, we added extensive information to our Nonprofit Profile: basic contact and organizational information; in-depth financial information; quantitative information about goals, strategies, and progress toward our mission.

Thank you so much for all you do to support the girls at Carpenter Place, and helping to make Carpenter Place a wonderful place to restore hope to hurting families.
