- Bring coolers with drinks and any snacks for at least one break campers will have through the morning. Additional breaks if weather necessitates with the heat.
- We will work on sliding one day so the camper will want to bring some clothes to get wet/possible swim trunks as we will water down the grass and have some fun working proper sliding fundamentals and techniques.
- I am a big believer in boys having fun while learning baseball with the correct fundamentals. We will work hard learning skills and we'll also work hard to make sure they have a good time enjoying the great game of baseball.
