Clients receiving services through County of San Diego contracted SUD programs are treated with equality, in a welcoming, nondiscriminatory manner, consistent with applicable state and federal law. Client fees are waived for Medi-Cal eligible persons participating in Medi-Cal certified services (except for required share of cost). No services will be refused due to a client’s inability to pay.

Programs are organized by region but services may be sought at any location.

Pregnant teens have priority admission to recovery and treatment programs.

ADOLESCENT PROGRAMS
Adolescent substance abuse programs provide treatment for adolescents and their families. Outpatient services, crisis intervention, and residential treatment services are offered in our urban and rural communities.

Program Goals:
- Provide developmentally appropriate substance abuse treatment services for adolescents throughout the County
- Assure access to care
- Help youth reach their full potential by achieving a substance free lifestyle
- Promote self-sufficiency through education or employment
- Contribute to the decrease in crime by ensuring that participants have no new arrests
