   Majority of Ayes by Voice Vote. Motion carried.
OTHER REPORTS AND DISCUSSIONS:

PUBLIC COMMENTS

1. None

BOARD COMMENTS

2. Ms. Chiles commented that she visited Rob Reed in the hospital, and he is doing well. She also mentioned that HS graduation went very smoothly, and she heard a lot of positive comments on the new set up.

Mr. Shoemaker mentioned the failure of State legislature reaching a solution on the pension issues. They might take the Illinois Replacement tax, which is $700,000. Transportation might be left flat, but it was already decreased last year by 42%.

CORRESPONDENCE

3. A thank you card was sent from Bailey Krstic for money to go to State.

Jill McNamara sent a thank you card for her retirement gift.

COMMITTEE REPORTS

4. Barb Chiles reported that Buildings and Grounds at Apollo were next to examine.

BUDGET HEARING

5. A transportation expense was increased $5,000. The State currently owes the school district $264,000. Mr. Boucher explained that we have stuck to the budget for the most part, but there were a lot of unexpected expenses that came up. Substitute pay was very high this year due to several maternity leaves and long term medical absences, for example. Mr. Shoemaker wants budget accounts earmarked in the future that are likely to have unexpected expenses.

AUDITOR

6. Presentations were made by two auditing firms, Cavanaugh, Davies, Blackman & Cramblet and Bohnsack and Frommelt. The major difference between the proposals was that Bohnsack and Frommelt provided a “management letter” that would contain recommendations. They also charge a variable amount per grant to be audited. With our number of grants, this raised their bid to $500 over the other firm.

ATHLETIC FIELD LIGHTING PROJECT

7. Mr. Boucher went over the architectural plans of the new lighting project for High School. The base bid includes making the old system safe and kept in place while the new system is installed. It is projected that the new system will be working by the first home football field. Barton Electric was awarded the bid for $201,012.00. The lights come from Musco, and have a 25 year warranty.

BREAD MILK AND FUEL BIDS

8. There was discussion on the milk, bread, and fuel bids before motions were made to accept. Prairie Farms Dairy was awarded the milk bid, even though they were slightly higher because we were not happy with the service from Anderson
Erickson. There were repeated cases noted of split and leaking cartons, spoiled milk, frozen milk, and malfunctioning coolers. Prairie Farms was our Dairy in 2010-2011. Sara Lee Bakery was awarded the bread bid. They have been used by the Aledo School District in the past, and were slightly cheaper this year. Halcomb Oil was $.02 cheaper in their mark-up than Blick & Blick and awarded the fuel bid.

**TEACHER EVALUATION UPDATE**

9. Bill Fleuette and Stacey Day gave an update on the new Teacher evaluation tool that is being created. The State is mandating some significant changes to the way we evaluate teachers, so an Evaluation Committee has been established to develop a new instrument. Senate Bill 7 spearheaded the need for new language in the agreements in regards to Reduction in Force. Currently, the principals use the old Westmer and Aledo evaluation tools for those teachers respectively. This new tool lists expectations in a rubric form for different areas being evaluated. The same tool, “The Charlotte Danielson Model” is being used by Rockridge and the State of Illinois. It would be slightly altered for Counselors, Nurses, Speech Pathologists, and Librarians. It is designed in a way to help teachers and uses a self-evaluation.

**TECHNOLOGY LEASE**

10. The new computer lease was approved at $14,000 cheaper than projected with American Capital. It will make us compliant with Government regulations. The board requested that a drawing be made outlining the technology interchanges and previous purchases.

**JUNIOR HIGH BAND ROOM ADA RAMP**

11. 3D Concrete submitted the only bid for the concrete ramp in the JH band room. Architectural plans were displayed for the ramp construction that will make the room ADA compliant.

**PROPERTY CASUALTY INSURANCE RENEWAL**

12. The premiums and deductibles are going up because of a $44,000 claim that we had.

**WEIGHT ROOM CARPET**

13. Nat Zunkel submitted a packet with pictures of the deteriorating carpet in the weight room. Mr. Zunkel recommended the bid from Cooper Flooring. The new carpet should last 10-15 years.

**LUNCH PRICES**

14. The Government now mandates that we regularly raise our student lunch prices. The lunch information is entered in to an Excel workbook from the State that figures out how much the lunch prices should go up. There is no mandate for the breakfast price. The board decided they would wait on this issue after they see how our food service program ended up the year.

**REGISTRATION FEES**

15. We have checked with neighboring school districts to see what their registration fees are. A chart was in the packet. Except for West Central, our registration fees are on the low side. Registration prices were increased by 2-3%.
2012-2013 SCHOOL CALENDAR

16. Two small changes needed to be made to next year’s calendar. The State does not allow two ½ school improvement days to be used as one whole in-service day without approval from the General Assembly, which is a hassle and we are too late to prepare. As a result, September 26th and March 6th will be SIP 11:30am dismissals.

ADMINISTRATIVE REPORTS

In addition to their written reports, the principals gave the following oral reports:

**HS** – Mr. Sronce reported that a tarp was placed on the auditorium roof because some leaking had occurred from the construction. There are new stains on the ceiling, but it will be painted soon.

**NBE** – Mr. Robinson is collecting bids on black dirt and grass seeding for the front lawn. They had Crisis Prevention Training for staff recently, and Mentor Training.

**Apollo** – ISAT scores are in early. They did not make AYP because the standards were raised. They would have made it with the previous standards. The building is looking very nice with the painting and landscaping that is going on. They had a small roof leak that is being fixed.

7. There was a motion by Johnson, seconded by Tucker, to approve the Crisis & Trauma School Response Plan as amended. Roll Call: 6 Ayes, 0 Nays. Motion carried.

8. There was a motion by Shoemaker, seconded by Tucker, to approve the $2,400 bid from Skinner Landscaping for the dirt work at New Boston Elementary, provided they will commit to 2 inches of top soil. Roll Call: 6 Ayes, 0 Nays. Motion carried.

9. There was a motion by Chiles, seconded by Johnson, to approve the tentative board meeting dates for 2012-2013 as presented. Majority of Ayes by voice vote. Motion carried.

10. There was a motion by Tucker, seconded by Johnson, to go into closed session at 8:59pm to discuss Personnel. Roll Call: 6 Ayes, 0 Nays. Motion carried.

The board came out of closed session at 10:05pm with all members present except Smock.
SECRETARY RETIREMENT  11. There was a motion by Tucker, seconded by Johnson, to approve the retirement of high school secretary Trudy Litwiler, with regrets. Majority of Ayes by voice vote. Motion carried.

CUSTODIAN RESIGNATION  12. There was a motion by Shoemaker, seconded by Yates, to accept the resignation of custodian Christina Whitmire. Majority of Ayes by voice vote. Motion carried.

SUPPORT STAFF / ADMINISTRATION PAY RATES  13. There was a motion by Shoemaker, seconded by Yates, to approve Support Staff and Administration to remain at their current pay rates with the Board paying for the health insurance increase of participating employees. Roll Call: 6 Ayes, 0 Nays. Motion carried.

PRINCIPAL STIPEND  14. There was a motion by Tucker, seconded by Chiles to pay Kathy Olson a stipend of $7,500 for a 190 day administrator contract. Roll Call: 6 Ayes, 0 Nays. Motion carried.

NON-CERTIFIED SUB PAY RATE  15. There was a motion by Tucker, seconded by Yates, to set the substitute pay rate for custodians, food service, secretaries, and paraprofessionals at $8.25 per hour. Roll Call: 6 Ayes, 0 Nays. Motion carried.

ADJOURN  16. There was a motion by Shoemaker, seconded by Chiles, to adjourn at 10:10pm. Majority of Ayes by Voice Vote. Motion carried.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS  1. Junior High Athletic Director added to Closed Session.

PUBLIC COMMENTS  2. Parents Sarah Dixon and Heather Elliot expressed concerns with the large numbered class sizes of the upcoming Kindergarten classes at New Boston Elementary. 26-28 students were projected. They noted that Kindergarten is very important, and they have a high poverty rate and higher expectations from the State. They mentioned that Apollo has smaller sizes and suggested that Open Enrollment could be an option to even them out.

BOARD COMMENTS  3. Barb Chiles mentioned that it was good to see Rob Reed on his feet after his recent hospital stay. She also reported speaking with Bob Stockham after the
recent 8th grade trip to Washington D.C. and it went great. They were commended by the bus drivers as the best behaved group.

Dwight Shoemaker reiterated that Education finance problems will continue. He mentioned that Jacksonville is going to freeze salaries.

**COMMITTEE REPORTS**

4. Barb Chiles reported from the Buildings and Grounds Committee that the paint at Apollo is almost finished and looks great. The Committee as a whole will meet soon and report to the board.

The Finance Committee met. Support Staff salaries will be discussed in Closed Session.

**FINANCIAL REPORT**

5. We ended the year with our income higher than expenses, but this number includes the Consolidation Incentives, which will be ending soon. Mr. Boucher went over an updated “Brainstorming” Chart listing ways that we have cut back. Another million in revenue loss is expected next year.

Public Forums were suggested outlining scenarios of different ways to cut expenses. For example, changing Attendance Centers where grades would be combined eliminated sections, or a possible building closure, transportation changes, etc. A Finance Committee meeting was scheduled for July 31st, 2012 at 6:30pm to discuss these issues. Public Forums will be scheduled for September.

**COMMUNITY SURVEYS**

6. Community Surveys were sent out requesting opinions on various topics regarding the school. They were sent Every Door Direct Mail to the community and given to staff. It was mentioned that some people didn’t receive them. 38 were returned from the Community and 38 from the staff. Mr. Boucher presented a compilation of the responses to the board.

**ELEMENTARY HANDBOOKS**

7. The handbook changes included clarification on absenteeism and truancy definition from New Boston. The ISAT Dates in the MCIS handbook need to be corrected. Mrs. Olson will take care of that.

**TREE REMOVAL**

8. The Board accepted the tree removal bid from Breeden’s, but would like to see more companies approached in the future for bids.

**ATHLETIC SHUTTLES**

9. It was figured that around $9,000 could be saved by eliminating the athletic shuttle routes that transport students from the Junior High in Joy to Aledo and New Boston after sport practices.

**PEST CONTROL CONTRACT**

10. AAA Pest Control has provided pest service to our district for years. The bill has been escalating significantly over the past two years. It was decided that we price other companies and check with neighboring schools on their costs.
14. Lunch prices were increased 20 cents across the board, and breakfast increased 10 cents. **Meal Prices for 2012-2013 are as follows:**

- Lunch (High School) $2.30
- Lunch (K-8) $2.05
- Breakfast (K-12) $1.20
- Adult Lunch $2.80
- Adult Breakfast $1.70

15. Additions were suggested by Vic Johnson that it be listed for the Nurse to gather the student medications and take out during an evacuation. The student demographics information should be taken as well. These additions will be included in the plan.

16. Mr. Boucher talked to ADT about installing door security devices that would keep track of who is coming and going from the buildings. ADT will work up a proposal when we tell them what we want. Mr. Boucher is going to check with Heartland, who installed our security system, to see what they can offer. It could then be connected to the existing security system.

17. September is the goal for paperless board packets. Computers will be available at meetings for the board to refer to their packet. They will be supplied with logins and passwords to access the packet from our website.

In addition to their written reports, the principals gave the following oral reports:

**NBE** – Mr. Robinson responded to the parent comments regarding the Kindergarten class sizes. She noted that it will be closer to 22 or 23 per class by the current count. Registration will tell the final numbers.

**JH** – The Junior High Band ramp is in and looks good. Both lifts have been installed, and the ADA bathrooms are just waiting on partitions and toilets. The 3rd floor boys’ bathroom will be the most difficult project. There are many plumbing obstacles to deal with, which may result in not meeting the deadline. The 8th grade DC trip was great.

Roll Call: 6 Ayes, 0 Nays. Motion carried.

ADJOURN 11. There was a motion by Smock, seconded by Chiles, to adjourn at 10:20pm. 
Majority of Ayes by Voice Vote. Motion carried.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS 1. Deleted 13.1b – hire custodians

PUBLIC COMMENTS 2. Mona Wicks, parent of a Senior student, spoke about weighted GPA averages, and wanted to make the board aware that students with less number of classes with As will have a slightly higher GPA than a student with more classes with As due to dividing by a smaller number. Mr. Sronce mentioned that they were working on resolving that somehow. It just works out that way in the Math. Mrs. Wicks also expressed concern that valedictorian and salutatorian are figured on a 1st semester cut off. She hoped that this would be remedied, but Mr. Sronce explained that the information needs to be figured before the end of the school year to have time to plan for graduation activities, scholarships, etc.

BOARD COMMENTS 3. Barb Chiles reported that it was good to have all the principals back, healthy. Bill Smock noted that thanks should be given to all the custodians and summer workers for making the buildings and grounds look great as school starts. Dwight Shoemaker reported higher costs of programs that the State has to pay for, which will mean less money available for schools. He predicts more cuts.

COMMITTEE REPORTS 4. Barb Chiles reported from the Buildings and Grounds Committee she is planning to meet with the principals soon to make an outline for the direction they want to go with the buildings. Barb Chiles also reported that the Wellness Committee would meet after 1st semester when the State updates.

TENTATIVE BUDGET 5. Mr. Boucher explained the tentative budget. There were some mistakes on it, but they are fixed regularly. The board mentioned that they would like Nancy Adolphson to add a column to the treasurer’s report for last year’s numbers so they can compare easily. Dwight Shoemaker requested a list off teachers’ salaries by subject so the board can make decisions about cuts.
Ideas were discussed for cuts and savings.
  • employees taking on more responsibilities
  • Public donations
  • Cut professional development

PROPERTY TAX DISCUSSION

6. The Heritage Woods tax appeal was discussed. It needs to be settled so we don’t have to pay anything back. Mr. Shoemaker passed out some tax projections for 2012 that he received from Don St. Germaine. Residential tax (EAV) is going up next year. The Board will have to decide if they will raise the rate 105%. It would have to be published in the newspaper, and a public meeting will have to be held. It will have to be decided in September for a meeting in October whether a referendum is needed for the ballot.

HEAT DISMISSAL

7. There was discussion on scheduling early out days for heat. Mr. Boucher relayed that the State only allows an early heat dismissal of 2pm if it is scheduled in advance, but if the early dismissal is called that day, we are allowed to dismiss at 1pm. It was decided to go day by day to decide since 2 o’clock is not that much different than 3 o’clock. Sport practices would be up to the coaches.

ADMINISTRATIVE REPORTS

In addition to their written reports, the principals gave the following oral reports:

Apollo – Mr. Fleuette reported that the State backed off on the requirements for AYP, so Apollo made it! They are swapping Open House for Unpack the Bag Night. Enrollment is up 20 students.

NBE – Mrs. Robinson reported the yard work at NBE has been done. More trees will be taken down. Enrollment is up 20. She noted that kudos should go out the Chris Swanson for organizing the New Teacher Orientation.

MCIS – Changes in the handbook were corrected. Enrollment is down due to small 5th grade class.

JH – Mr. Reed reported they made AYP. ADA work is done except for one exterior door on the restroom and an exhaust fan. Enrollment has changed by about 6 or 7. There was discussion on the dress code changes. The crow’s next at the JH needs to come down.

Transportation – Ernie and Robin are working hard on getting the routes done. The suburban is getting a lot of miles; routes might need to be switched around to help with that.

HS – Enrollment is up 25. They did not make AYP but ACT % is up by 10%.

OTHER REPORTS AND DISCUSSIONS:

BUDGET HEARING

1. The Tentative budget was presented and a few changes were noted. Total Revenue- $12,999,043 and Total Expenses - $12,996,142. It was noted that the State owes us $312,000 from last year. The Budget Hearing adjourned at 7:07pm.

TRANSPORTATION HEARING

2. The School District has a 3yr contract with Johannes Bus Service that is ending after this year. The School District would like to open a bid for the possible remaining routes, as well as the current Johannes routes. A 90 day notice was sent out to all District Transportation Employees to make them aware of this possibility. The Board plans to analyze the transportation budget to present in November. A Transportation Committee Meeting was scheduled for October 17th at 6:30pm. The goal is to have a decision by December. It was mentioned that this needs to be decided before the new board members are elected in April because that will not leave enough time to get things organized. The Transportation Hearing adjourned at 7:19pm

ADDITIONS / DELETIONS

3. Additions to Closed Session –
• “f” Hire JH Volleyball Coach
• “16b” Negotiations

PUBLIC COMMENTS
4. Bryce Holmes, a parent of New Boston Elementary student, addressed the board regarding a bussing issue. He lives down a ¼ mile dead end road/ lane and wants the bus to come to the house to pick up his son. He said it is a safety issue for his 8yr old son to wait by himself out in the middle of nowhere with wild life and possibly wild livestock. He noted that he and his wife had other small children at home, so taking him to the end of the lane was not an option for them. It takes 2.5 minutes to travel the lane, and he reported that the bus came down the lane when he was a kid. He also suggested that a policy be put in place to clarify issues like this. He believes there are other situations similar to his, where the bus IS going down the lane.

BOARD COMMENTS
5. Barb Chiles mentioned that the start of school went smoothly. She also visited Coach Eric Russell in the hospital, who was doing well.

COMMITTEE REPORTS
6. Buildings and Grounds- Barb Chiles went over building needs for Apollo. They plan to have the hallways painted this fall and replace a gas line in the yard. An AC drain needs to be moved as well.
Wellness Committee – Wellness meeting scheduled for September 17th.
Negotiations Committee – The Transportation and Cooks/ Custodians negotiations are progressing.

HUMAN RESOURCES

CONSULTANT UPDATE
7. Steve Bushue with Bushue HR met with the board to discuss insurance renewal updates. The renewal with BCBS was completed with a 14 month contract. The rate increase was minimal so the district stayed with the full insurance plan (as opposed to self-insurance). The board requested that we go out for public bid on self-insurance for next year. The Affordable Care Act will result in some changes and additions to W2 reporting. The IRS is tracking who is eligible and or paying for insurance.

FINANCE
8. 3 forums will be held to apprise the community and staff of the hardships that the school district is expecting. They are scheduled for the following dates:
September 27th – 4:00pm @ MCIS with District Staff
October 3rd – 7:00pm @ New Boston Elementary with the Community
October 9th – 7:00pm @ MCIS with the Community
Topics to be discussed:
• Cutting programs/ staff (attrition)
• Attendance center changes
• Closing a building
• Sales Tax
• Property tax increase
• History of revenue/ expenses – cash reserves
• Budget improvements that have already happened
• What we are up against
• Community input
CITY TRUANCY POLICY

9. The City of Aledo is considering a new ordinance that fines parents whose students are chronically truant from school. The board is concerned about who is enforcing this ordinance and thinks it should be a county wide issue via the State’s Attorney. A City Ordinance would exclude ½ of the district. No action was taken.

STUDENT TRANSFER CREDIT POLICY

10. The High School created a policy for credit transfer for students who come into the district from another school. There was currently nothing in place, and the differences in credit requirements caused a lot of problems with transfer students.

EVALUATION PLANS

11. The Teacher evaluation tool was presented, as well as a principal evaluation plan. No motion was needed for the principal evaluation plan. The Teacher evaluation tool was discussed during closed session and approved after.

JOY VISITOR PRESS BOX

12. The old press box at the Junior High is in disrepair. Mr. Reed was given the go ahead to get rid of it.

ADMINISTRATIVE REPORTS

In addition to their written reports, the principals gave the following oral reports:

Apollo – Enrollment is up to 346. MAP testing went smoothly.

NBE – 3 windows were replaced. 30 people attended the sandbur pull. Pea gravel and border has been ordered for around the equipment with leftover Pre-K money. New Projectors are coming. TV screens for Kindergarten are not here yet. Bus routes to and from New Boston begin at 7:15am and end at 4:00pm. This makes it difficult for kids to have time for breakfast and makes for late arrivals home.

MCIS – There are 2 new students. The Freezer has been acting up. Two holes were found in the line and fixed.

JH – Wal-Mart selected MCJH to receive gift cards in the amount of $50 per teacher to be spent on classroom supplies. The attic fan motor is shot and will need replaced. 4 windows need replaced as well. The new lift needs adjustments with the ramp. Mr. Reed is going to call about it.

HS – The start to school was good. We received the rights to host the IHSA Volleyball regional. The window screens are going in slowly. The new lunch schedule is working. There are a lot of kids to monitor.

13. There was a motion by Shoemaker, seconded by Johnson, to adjourn at 11:07pm. Roll Call: 7 Ayes, 0 Nays. Motion carried.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS 1. Additions to Closed Session
   • “j” Cook Change
   • “j” Tutor Rate
Deletion – High School English Presentation will be postponed to next month

BOARD COMMENTS 2. Ms. Chiles gave kudos to Gene Puckett for his concrete work at New Boston Elementary and Chip King for spearheading the sandbur removal project. As a follow up to the Community Forums, Mr. Shoemaker passed out levy information that explained levy limitations. He also expressed disapproval of TIF.

PUBLIC COMMENTS 3. Michael Siering commented on the recent financial discussions at the Community Forums. He spoke in favor of a blended approach of tax increases (sales and property) that would amount to about $75 per person a year. This would make up $600,000, and added to the 278,000 savings from retiring teachers, it would come very close to making up our 1 million dollar shortfall.

Darla Dixon expressed concern for the possible Transportation policy regarding lanes that will be voted on tonight. She wanted to board to think carefully about the repercussions of this policy, and that it might cause changes in existing routes.
She noted a specific case that she used for an example. (This case fell under one of the three exceptions listed in the tentative policy and was mentioned later)

Darla also communicated, at length, her disapproval of the recent notices sent to the bus drivers regarding the School District’s decision to go out for transportation bids with outside contractors. She noted that the board was sent a different letter than the drivers (which was explained by Board President Doug Ball that this was a rough draft sent in the board packet, and it was noted that the draft was going to be edited by the school’s lawyers before being sent out to the drivers).

**CONSENT AGENDA**

4. Ms. Chiles questioned the lighting bill for the football field. It was noted that this is all reimbursed by the Community Projects for Mercer County. A question about the Shindler and Sons bill was asked. This was for repairs on the new platform lift at the Junior High. Don Yates asked again about what happened to the graduating Senior Class money. Mr. Boucher explained that the money is absorbed into the general High School Activity Fund after Graduation and used for similar expenses later. Mr. Shoemaker asked if the gas line at Apollo had been fixed. Mr. Fleuette is still working on it. He also asked about the eave spout that was creating a huge puddle and mess. Mr. Fleuette has fixed that himself and will fill in the hole.

**COMMITTEE REPORTS**

6. Barb Chiles reported for the Finance Committee. She and Marta Tucker attended a School Finance Conference, and they both relayed information from their sessions. Barb also gave a report for the Building and Grounds Committee regarding the Intermediate school.

**ADMINISTRATIVE REPORTS**

In addition to their written reports, the principals gave the following oral reports:

**Apollo** – MR. Fleuette reported there would be a PBIS used Book Sale – October 18th. The 3rd and 4th grade Art Show will be at Noon.

**NBE** – Next month, Gary Mativier will visit NBE on November 16th, at 1pm to promote his new book, “Saluting Grandpa.” They recently held a Bonus Recess for students with no office referrals. This was 180 students. PTO bought a bunch of new playground balls and jump ropes.

**MCIS** – Lights were ordered for the parking lot. Next week is Red Ribbon Week. Mrs. Jones plans activities throughout the week that promotes staying drug and alcohol free.

**JH** – No additional comments.

**HS** – The Homecoming Dance was well organized and went very well. Volleyball regionals are coming up. There is an old oven at the HS that is on its last leg.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS
1. Additions to Closed Session
   - “19e” Hire Paraprofessional at HS
   - “19f” 7th Grade Boys Basketball
   - “18” Review High School Curriculum

BOARD COMMENTS
2. IASB is hosting dinner at the Factory in Orion. Barb Chiles, Marta Tucker and Alan Boucher will attend. Bill Smock gave kudos to the “Super Science Night” at Apollo.

PUBLIC COMMENTS
3. Darla Dixon revisited her concerns with the Transportation Lane policy and listed specific cases that she thought it would affect. Don Yates explained that those cases were not in question. This policy was created as a result of a different issue.

CONSENT AGENDA
4. Questions were posed regarding the wrestling mat purchase, the Principal bond, and Special Ed expenses. Mr. Boucher clarified all issues.
COMMITTEE REPORTS
5. Barb Chiles gave a report from the Buildings and Grounds Committee. She explained the status of the heating issues at all buildings.

ATHLETIC FIELD UPDATE
6. Rusty Ruggles updated the board on the lighting project. Lights are in, but there is still some calibration to finish. 83 meters of track have been sold. He would like to put bids out on the track work for this summer, which would include fencing, drainage, and the actual track. Bruner, Cooper & Zook handles all bids.

ENGLISH TEACHER REPORT
7. The High School English Teachers gave a presentation on a new program they have implemented called IRP. (Integrated Reading Program) Brooke Fleuette spoke first to explain the new program that is meant to encourage students to actively read. Michele Peterson noted that it is somewhat like AR in Junior High, but instead of just testing on content, it ties the books they read to Common Core Standard skills being taught in the English Classroom. IRP is more rigorous than AR, which is great for a younger group. The students analyze the books’ style and context, and then write about it. Laura Staley explained how it encourages students to go to the LRC and read at their own pace. They get recommendations from Mrs. Fleuette that they can choose from, according to the topic they are learning.

HALL OF FAME
Mr. Boucher introduced starting a Mercer County Hall of Fame to honor significant accomplishments of former graduates and staff members. He will rework the paperwork, and the topic will be on the agenda next month.

TRANSPORTATION
The board wants to hire TAS to analyze our transportation program to see if it would be financially beneficial to outsource our Transportation. They would draw up recommendations for us on the subject and the feasibility of the current routes. They also voted to retain a CPA firm, called Gorenz, to consult if necessary. Mr. Boucher would like to see if we could pay for this out of the Tort fund because it would protect the district. That will have to be checked on.

FINANCE
The District Finances were discussed. There are some rumors about the assessed values of the local golf courses being too low. That will be investigated.

AUDIT REPORT
Mr. Boucher gave a report on our Audit. He prepared a summary sheet for the board. It was a good audit. Only a few minor items were sited. The board would like to switch auditing firms next year to get more eyes on our books. Bids will be prepared in January.

1% SALES TAX
The Board agreed that they would go ahead with the 1% sales Tax and put it on the ballot. There were some opposing opinions, but the people would essentially make the choice when put on the ballot. Bill Smock mentioned that he would like a stipulation put in place that it would only be for a certain finite amount of time.

LEVY
The Levy was discussed. The Board will vote on the tax rate in December.
HS COURSE DESCRIPTION BOOK

The HS Course Description Book was presented to the board for them to go over. It will be voted on at the next meeting.

ADMINISTRATIVE REPORTS

In addition to their written reports, the principals gave the following oral reports:

Apollo – Super Science Night was a great time! Health Life Safety Inspection went well. The first quarter Peace Prize was awarded to Amelia Schwartzkopf and Cadel Monson. Parent Teacher Conferences were great, and they had the new Art Show this year concurrently. Parent Surveys were handed out, and the comments were mostly positive.

NBE – The Book Fair went well. 4H had a display to recruit new members. The newly planted grass is up. Parent Teacher Conference attendance was 97%.

MCIS - 6 lights were replaced in the parking lot.

JH – Parents would like a comment section on Websis.

HS – Parent Everyone is excited about the Football team!!!

BOARD COMMENTS

4. Barb Chiles noted that Rachel Hawk was the recipient of the DAR award. She also recently spoke with Rick Kessler, Black Hawk Division Resolutions Chairman from Illinois Association of School Boards, about passing a possible resolution to extend the pickup distance requirement for buses from 1.5 miles to 3 miles. On another good note, she attended the Junior High Christmas concert and gave kudos.

   Dwight Shoemaker commented on the lingering problem of unfunded liability and the unfixable pension issue. He passed out an article from the Chicago Tribune describing the issue.
HALL OF FAME 5. The Board discussed the Hall of Fame criteria and decided to amend some of the wording to clarify that the “distinguished accomplishments” would be from former Westmer and Aledo graduates, and to avoid referring to athletics.

TAX LEVY 6. Superintendent Boucher explained possible levy scenarios. The board expressed different opinions on the percentage rates. The agreed that more information was needed to render a decision for the tax levy and decided to have a Special meeting on December 18th, 2012 at 6:00pm to make the final decision. They asked Mr. Boucher to have the numbers broken down into the 8 levy categories at this meeting.

FINANCE 7. Mr. Boucher has a running list of ideas for budget cuts, and he encouraged the board to share their ideas with him. Barb Chiles passed out an additional list of her ideas.

TRANSPORTATION 8. TAS came last week to go over our transportation records to decide whether or not it would be feasible to outsource the school bussing. They also met with transportation personnel. Their finished report will be here the 1st week of January.

APOLLO SCHOOL WIDE TITLE I PLAN 9. Because their poverty rate went above 40%, Apollo now qualifies to be a Title One School-Wide program. New Boston Elementary already has a school-wide program. This new designation will allow Apollo to use Title One money and staff with all Apollo students. In the past, the school could only use the money and staff for certain students who qualified for services. Mr. Fleuette elaborated on the plan.

APPEAL

CYBER ATTACK 11. The school district’s insurance consultant notified us that we do not have enough insurance to cover a big hit if our finances were hacked into from the outside. He suggests that we get a specific policy for cyber insurance (as opposed to insurance that is a part of another policy) to protect the District. The board would like more information on the subject before they decide to get insurance quotes. They would also like to check into how much insurance the bank has for this.

APOLLO GAS PIPE 12. Don Korns, the city gas man, suggests that we update our gas piping at Apollo. The board would like to get a second opinion.

ADMINISTRATIVE 13. In addition to their written reports, the principals gave the following oral
REPORTS

**Apollo / New Boston** – Mr. Fleuette and Mrs. Robinson had nothing to add to their written reports other than FYIs about their upcoming Christmas programs.

**MCIS** – Mrs. Olson reported 111 students had perfect attendance for November. Their program is also coming up. Felt leg coverings for lunch tables have been ordered.

**JH** – The Junior High Sports program is going well. Mr. Reed is pleased with the coaching. They also have an upcoming Christmas program.

**HS** – There will be a food drive at tomorrow night’s wrestling meet. There is a small leak in the ceiling of the wrestling building. The lifting mechanisms for the basketball baskets in the gym need replaced. They have become a safety hazard. The HS also has an upcoming Christmas program.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS
1. None

PUBLIC COMMENT
2. None

CORRESPONDENCE
3. None

BOARD COMMENTS
4. Barb Chiles mentioned a proposed resolution for the next School Board Convention that would change the distance provision to only transport students who live further than 3 miles from school. It is currently 1.5 miles.
Dwight Shoemaker mentioned Health insurance provisions and concerns about gambling laws.

CONSENT AGENDA
5. There was a mistake found on last month’s minutes regarding Teacher Retirement contribution. The incorrect statement was stricken and the minutes were approved as amended.

COMMITTEE REPORTS
6. Marta Tucker attended a meeting at Black Hawk Area Special Education District and they spoke about Moline School District dropping out of the consortium and the affect will have on everyone else.
Barb Chiles reported for the Buildings and Grounds Committee. She is planning to visit New Boston Elementary in the next 2 weeks and the High School in February.

TRUANCY ORDINANCE
7. Chief Sponsler and Officer Murphy were at the meeting to elaborate on the new City Truancy Ordinance. The ordinance would affect any kid that would be in town, regardless of where they lived. City laws affect you in the city of the offence. They plan to encourage Joy and New Boston to develop their own ordinances, but the truancy issue is more prevalent at the high school.

HALL OF FAME
8. Superintendent Boucher would like to edit the by-laws for the new Mercer County Hall of Fame regarding former Aledo and Westmer Hall of Fame inductees. He would like to have nominees start fresh with Mercer County, and not be automatically inducted because they were in before. Previous inductees from Aledo and Westmer could be nominated anew. The board agreed.
MOLINE SD#40

There was discussion about the ramifications of Moline School District dropping out of the consortium of Black Hawk Area Special Education. A resolution had to be passed.

HEALTH INSURANCE

9. There was a handout in the packet regarding penalties for employers not offering affordable coverage. The district needs to decide for or against self-insurance for next year. The Board would like to get more info on different choices from our insurance consultants. Discussion followed.

TRANSPORTATION STUDY

10. The Transportation Study prepared by TAS has been completed, and Superintendent Boucher went over the highlights with the board. In short, TAS recommended outsourcing as it would save the district $112,000 per year with a one-time revenue of approximately $510,000 by selling busses. More discussion will follow at the special board meeting this Saturday where they will create bid specs.

FINANCE

11. Mr. Boucher gave the board a list of suggestions for revenue increase and budget cuts. He encouraged them to bring any other suggestions to the Saturday retreat for discussion.

ADMINISTRATIVE REPORTS

13. In addition to their written reports, the principals gave the following oral reports:

Apollo - The Principal from Warsaw Elementary came to visit and talk about MAP testing. They are planning to implement it at their school, and wanted to see how it was working here. 4th grade had “Invention Day” recently. The Flu has been pretty steady, affecting attendance.

New Boston – Mrs. Robinson reported that they had their first diagnosed Influenza today. Strep and stomach flu have been going through as well. She also mentioned that there was new information passed out at the ROE Curriculum Network meeting regarding Common Core Standards.

MCIS – The School Spelling Bees were held Friday. The District Bee will be February 5th at 6:30pm.

JH – Explore test results are in, but haven’t been examined yet.

HS – The High School is dealing with new curriculum change. Mr. Sronce is concerned because it is a big undertaking. Extra precautions have been taken with security. Mr. Sronce is now checking all doors daily.

The Board of Education of Mercer County School District #404, Mercer, Henderson, & Rock Island Counties, Illinois, convened at a regular meeting at the District Office, 1002 SW 6th Street, Aledo, IL, on Saturday, January 19, 2013 at 8:00 a.m.

Members Present upon roll call: Ball, Tucker, Smock, Yates, Johnson, Chiles, Shoemaker (arrived 8:18)

Also present: Supt. Boucher

BUDGET CUTS DISCUSSED

- The Board directed Superintendent Boucher to begin looking at the athletic budget to find ways to cut 10% out of the total athletic budget (total budget is over $250,000). The hope is that the Board can find cuts that allow the District to keep all the athletic programs. For starters, The Board will look at cutting back on professional development for coaches and cutting back on supplies. The Board is also considering an increase in the student participation fees. The Board directed Principal Sronce to look into the possibility of charging admission to some of the sporting events that currently have no admission fee (e.g., baseball and softball).
- Building renovations will continue, but they will be scaled back.
- The federal Title 2 grant money will be diverted from professional development to funding a classroom teacher.
- The textbook budget will be cut by approximately 90% for the upcoming year.
- All supply budgets will be cut by 10 percent.
- Regarding student fees, the Board is thinking about initiating student parking fees, folding the high school yearbook fee into the textbook fee, and raising the driver education fee.
- The Board is letting out bids for the possible outsourcing of transportation services. A consultant has calculated that the District could save about $112,000 annually by doing this. The sale of the bus fleet would generate as much as $500,000.
- There will be seven certified retirements at the end of the year and the Board will probably not replace all of the positions. A plan is being developed now.
- Finding new revenue can help with our budget situation. Passage of the one-cent sales tax will generate $300,000 annually. If property values go up, we will receive some additional money through property taxes. The County Assessor predicts that the property values will go down slightly.
The Board went into closed session at 9:30 a.m. to discuss negotiations and personnel.

The Board came out of closed session at 1:20 p.m.

**ADJOURN**  There was a motion by Shoemaker, seconded by Yates to adjourn at 1:21 p.m.
   Majority of Ayes by Voice Vote.  Motion carried.

BOARD COMMENTS
4. Barb Chiles congratulated the Elementary schools on their Academic Achievement Awards. She also gave kudos and thanks to Rusty Ruggles for his initiative on the athletic renovation project.
   Dwight Shoemaker discussed the financial problems in Illinois as it affects education. He hopes we start to discuss cuts to alleviate the financial shortages.

COMMITTEE REPORTS
6. Barb Chiles reported for the Buildings and Grounds Committee. She met with Nancy Robinson last week to go over areas at New Boston Elementary that need attention.

TRACK RENOVATION PROJECT
7. Rusty Ruggles updated the BOE on the Track Renovation Project status. The last 10% of lights have been paid for. Bids were put out for the next step in the project. Valley Construction was the low bid. The bid options were discussed. Dwight Shoemaker had legal concerns and wanted more information, so a special board meeting was scheduled for February 21st, 2013 to make a final decision.
SCHOOL RECOGNITION 8. Apollo Elementary and New Boston Elementary received School recognition awards. NBE received the Spotlight Award and Apollo received the Academic Excellence Award. We had the only schools in our ROE district to receive the awards.

AWARDS

FINANCE 9. Mr. Boucher reported that the Average Daily Attendance has gone up. This is a good, but General State Aid is still going down. He handed out suggestions for cuts to the Board.

ADA IMPROVEMENTS 10. $50,000-75,000 is needed for bleacher renovation in the High School Gym. Mr. Boucher asked the board if they wanted the architect to draw up plans. They agreed that they would like to talk about a few more options before plans are drawn.

HIGH SCHOOL

TRANSPORTATION 11. Bids were advertised. The Specs are not yet available. We are waiting on the lawyers input. We’ve had four calls of interest. Barb Chiles wants a penalty clause added if specs are not followed.

ADMINISTRATIVE REPORTS

ADMINISTRATIVE REPORTS 13. In addition to their written reports, the principals gave the following oral reports:

Apollo – Mr. Fleuette checked on the gas pipe issue, previously spoke on. Someone is coming in the Spring to check on the gas pipe that’s corroded. It sounds like it will be cheaper than what they thought.

NBE- NBE is working on their School Improvement Plan. They decided to use “Rising Star” School Improvement Plan as a template.

MCIS- 5 students advanced to the Regional Spelling Bee at Augustana.

JH- Last Saturday the Science Explorer group placed 1st in Regional and Medalled in 22 events. The new security cameras are working great. Explore Scores were 85% above benchmark.

HS – Cherie Bustos presented a plaque to the football team for their State win at a nice assembly at the High school. Speakers are being fixed in the gym. Buzzers will be installed also.

OTHER REPORTS AND DISCUSSIONS:

1. Science Explorers and Committee Reports were switched on the agenda. Larry Wachtveitel from Kenyon Architects was added to the agenda as 6a. The HS out buildings were added as 6b.
CORRESPONDENCE

3. There was a thank you card from Chris Armentrout for the memorial sent after the passing of her father.

BOARD COMMENTS

4. Barb Chiles commended all involved in the High School Play, “You Can’t Take It With You.” She also praised the recent Mercer County FFA banquet. She also commented on the article in the paper regarding the State of Illinois owing 768 million dollars, which shows a failure in leadership.

JH SCIENCE EXPLORERS

5. The Science Explorers group recently won 1st place at Regionals and will go to State competition on April 20th at the University of Illinois. They attended the school board meeting to present their projects and thank the Board for their support. They were accompanied by their advisors, Barb Reick and Shelly Reusch.

COMMITTEE REPORTS

6. Barb Chiles reported for the Buildings and Grounds Committee after a recent visit to the High School campus. She discussed the unit ventilators, security cameras, ADA work, gym fans and roof sections.

ARCHITECT REPORT

7. Larry Wachtveitel from Kenyon Architects presented plans with different scenarios for ADA work for the High School gym and roof replacement at New Boston Elementary.

HS OUT BUILDINGS

8. The out buildings at the High School will be sold at auction. Not a lot of money is expected from the sale, but what comes in will be donated to the Athletic Field Renovation project.

SCHOOL CALENDAR

9. The new school calendar for next year was presented to the board for approval. Due to the way the calendar days fall, the committee decided to make the start date a week later than usual, avoiding some of the lingering summer heat. This later start deemed it necessary to shorten Spring Break back to 3 days, and makes the semesters uneven, but finals will remain before Christmas. SIP days were added on the 1st and 3rd Fridays (with a few exceptions) with early dismissals all at 1pm. Barb Reick spoke on the reasons behind keeping all the SIP dismissals consistent and at 1pm.

CERTIFIED LANE MOVEMENT

10. A resolution will be prepared for adoption next month regarding certified lane movement. A teacher will be required to provide an official grade report to the district before movement on the salary scale.

ATHLETIC REIMBURSEMENT

11. A resolution will be prepared for adoption next month regarding athletic reimbursements to the district.

PRESS POLICIES

12. The Updated policies that come from the State quarterly were all adopted by the School Board.
COLLECTIONS

13. The school district wants to change the wording on the Promise to Pay form to threaten legal action or add collection fees for unpaid registration fees.

FINANCE

14. Mr. Boucher presented the board with suggested budget cuts and revenue changes for next year.

ADMINISTRATIVE REPORTS

13. In addition to their written reports, the principals gave the following oral reports:

Apollo – Mr. Fleuette has lots of good resumes for the open positions for next year. Kindergarten classes for next year are of good size. They’ve had a few roof leaks, but they are under warranty.

NBE- ISATs are finished. There is a Summer enrichment program being planned. The Health Department has held two meetings with them regarding an Emergency Evacuation plan for Special Needs children.

MCIS- 95 students had perfect attendance. DARE has started and DARE graduation will be April 25th. They’ve had a few leaks as well around the gutters.

JH- The Main hallway had some leaks with the melting ice. No leaks since the ice has melted.

HS – The HS Match team competed in Regionals recently. They scored well enough to go to State competition in Champaign. Mr. Sronce commended the FFA kids and their accomplishments recognized at the recent FFA banquet. They have had no leaks.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS 1. none

PUBLIC COMMENT 2. none

CORRESPONDENCE 3. Two thank you cards were read for memorials sent for Pam Nelson’s father’s passing and Antonine Thompson’s mother’s passing.

BOARD COMMENTS 4. Barb Chiles congratulated Laura Staley for receiving the Quad City Times Master Teacher award. She also noted concerns regarding decreased funding. Dwight Shoemaker continued with his own concerns on the financial woes of Illinois. Despite the lack of funding, Chicago teachers got raises.

ANIME CLUB 5. Jackie Olson spoke on behalf of the new Anime Club at the High School. She briefly described the Japanese Art and explained how this club opens up a social outlet for a lot of students who are not that involved in other areas. A copy of the club’s constitution was in the board packet. Barb Chiles had many questions and critiques for Jackie. A motion was not necessary as it is up to principal’s discretion.

JH ATHLETIC BUDGET 6. Bob Stockham presented the Junior High athletic budget. Since he has been directed by the board to cut the budget by 10%, he listed a few scenarios on how that would best be accomplished and asked for advice. He will ask the Athletic Boosters for money to help with some of the areas that will be cut.

THIRD PARTY TRANSPORTATION BIDS 7. Superintendent Boucher went over the transportation expenditures and reviewed information from the Transportation meeting. He gave a cost expenditure comparison for 3 years using inflation factors. He summarized by saying that it’s cheaper to outsource on regular routes, but more expensive to outsource on trips. A negotiation meeting is scheduled for the following night. There was discussion by the board members.
APPRAISAL
8. The buildings were assessed to see if we are adequately insured. It was determined that we are worth more than we are insured. Mr. Boucher will check on coverage policy regarding partial loss percentages and the matter will be discussed again.

ADJUSTMENT

REGISTRATION FEES
9. The board tabled the registration fees until next month. They requested that all high school class fees be available in order to make a more informed decision.

SEATING OF NEW BOARD
10. The window in which the new board can be seated is April 30th-May 7th. A Special meeting was scheduled on Monday, May 6th at 7pm for reorganization. The regular meeting is May 8th.

FINANCE
11. Superintendent Boucher gave a report on the District’s finances. The 1% Sales Tax referendum passed and will go into effect July 1st, 2013 with payment arriving in October. We have a few General State Aid payment to come in and one bus lease payment due in June. The budget looks good, and we should end the year in the black. State payments are supposed to be down next year.

COMMITTEE REPORTS
Marta Tucker reported on the status of the BHASED district considering Moline School District’s recent withdrawal. Privatization was discussed.

ADMINISTRATIVE REPORTS
13. In addition to their written reports, the principals gave the following oral reports:
Apollo – No leaks were reported as of yet. The Apollo yearbooks are in and Peace prize winners were announced. Enrollment projections for next year look good.
NBE- CATCH family night will be Friday night from 5-7pm. The USDA will be serving a meal in preview of the Summer feeding program.
MCIS- 6th grade band will perform at the Band Shell opening on April 28th along with the High School.
JH- Science Explorers leave for State soon. Mr. Reed explained locker bids in the packet and handed out window bids for the gym.
HS – Mrs. Staley received the Master Teacher award from the Quad City Times. Graduation is May 19th and Mr. Sronce inquired about which board members would be there.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS 1. Delete Trap Shoot and replace with Curriculum Update
PUBLIC COMMENT  2. Three parents, Connie Reaber, Jennifer Frank, and Angie Medley, expressed concern with bullying at the high school.

CORRESPONDENCE  3. A thank you card was read from Marilyn Faulkner for a memorial sent in the passing of her father. Another thank you card was read from the Junior High Science Explorers for the Board’s continual support and allowing them to participate in regionals where they earned several medals.

BOARD COMMENTS  4. Barb Chiles recognized Adam Lloyd’s appointment as Section 4 FFA president. She also mentioned that Rachel Hawk was one of 10 finalists for the State FFA President. She also congratulated the HS Boys track team and Coach Mick Louck for their win of the Lincoln Trail Conference Title. The Mercer County Teachers were praised in this National Education Week.

Julie Wagner recognized the Mercer County FFA for the 3 State FFA degrees earned and 2 State qualifiers in Ag. Mechanics.

CURRICULUM UPDATE  5. Stacey Day gave an update on Curriculum. The new Curriculum representatives have met to collaborate and prepare for the new requirements of the PARK Assessment. There was much discussion on the new requirements, as they are very strict for meeting AYP.

HIGH SCHOOL HANDBOOK  6. Mr. Sronce went over the student handbook revisions for next year. There was a lot of emphasis on the bullying policy. It has been enhanced to included language from the State. The attendance policy was also reviewed, as well as parking permit limitations.

JUNIOR HIGH SCHOOL HANDBOOK  7. Mr. Reed went over the student handbook revisions for the Junior High. There were some changes to the attendance policy and also revisions regarding State Testing.

TRANSPORTATION RESOLUTION  8. Barb Chiles created a resolution that would change the distance provision for pick up from 1.5 miles to 3 miles. This would be sent to Springfield for consideration. It would allow the School District more flexibility in transportation routes when funding is dwindling.

AMENDED BUDGET  9. Superintendent Boucher briefly went over the budget. No amendments were made. It will be on display for 30 days in the District Office before a budget hearing is held at the June meeting for approval.

LOCKER BIDS  10. There was much discussion on the Junior High lockers. Bids from 3 different companies were examined. The lockers at the Junior High are falling apart. There are constant repairs necessary, and some that cannot be repaired. The athletic lockers are so small that items are left out, which leads to theft. It was decided that the priority would go to these athletic lockers, and that separate bid was approved.
JUNE BOARD MEETING 11. It was decided that the June board meeting would be moved a week later (June 19th) to allow more time for end of the year bills to come in and to accommodate family commitments of the District office staff.

BOARD MEMBER TRAINING 12. Mr. Boucher discussed mandatory training for the new board members. Plans were made for him to register those who are attending for the training.

COMMITTEE REPORTS 13. Barb Chiles gave a report on the Buildings & Grounds Committee regarding summer work scheduled. The principals will be sending in a list of needs for the Summer crew. A plan was discussed for a possible Health Life Safety bond in the future for bleachers at the HS and JH to replace the old ones that have become a safety issue.

ADMINISTRATIVE REPORTS 14. In addition to their written reports, the principals gave the following oral reports:

NBE - Mrs. Robinson reported the Back Pack food program was going well. 13 packs have been sent home. Parents Club had a Family Fun Day that raised money for the Cole Deickman Memorial.

Apollo – Mr. Fleuette had nothing new to report.

MCIS - Three 5th graders and 3 6th graders were recognized by the VFW for essays written on "What Veteran's Day Means to Me." Northwest Mechanical has been working on a problem with the heating/cooling unit.

JH - The Spring Fine Arts Concert was a success. Several 8th graders volunteered for Community Service for the YMCA “Healthy Kids Day.”

HS – Mr. Sronce gave kudos for the High School Spring Concert.

OTHER REPORTS AND DISCUSSIONS:

ADDITIONS / DELETIONS  1. Additions –
                         4.2a Additional Bill List
                                Closed Session 21.2 - Collective Bargaining
                         4a Professional Development Discussion

PUBLIC COMMENT  2. Students Allie Lloyd and Grace Hammill spoke in favor of being allowed to participate in JH volleyball and JH cheerleading simultaneously. Their parents, Kim Lloyd and Matt Hammill gave supporting comments as well, stating that the principal had told the students this wasn’t allowed. Marta Tucker explained that the chain of command should be followed and that this item was not currently on the agenda, but could be revisited in the future if all other avenues were exhausted.

CORRESPONDENCE  3. The School Board and District received three thank you cards. Kathy Whitehall and Anne Rogers sent thank you cards for their retirement gifts, and Cheryl Miner sent a thank you for the memorial given in the passing of her father.

BOARD COMMENTS  4. Barb Chiles commended Rachel Hawk for being elected State FFA Vice President. She also expressed thanks for all the efforts put forth for successful graduation and promotion ceremonies. Marta Tucker commented on a previously asked question in recent transportation discussions. She found out that the State of Illinois mandates that schools offer transportation at no charge for rural students living more than a mile and a half from school.

AMENDED BUDGET  5. Mr. Boucher explained the budget basics. The school budget will remain the same except for internal transfers between funds. A summary sheet was in the packet describing these changes.

PROFESSIONAL DEVELOPMENT  6. Mr. Boucher and the board discussed the upcoming IASB school training plans.

COMMERCIAL INSURANCE RENEWAL  7. The recent property appraisal necessitated an insurance increase for adequate coverage which caused a raise in premiums.

GREENHOUSE MOVE  8. Julie Wagner discussed the plans to move the greenhouse from the Junior High to the High School. Posts will need to be reset, but the rest of the structure will move. The FFA is planning to chip in $1000 and the Ag incentive group will pay $2000 to help with moving and reconstruction expenses. More information will be discussed and voted on in July.

IASB REPRESENTATIVE  9. Bill Smock was appointed to be the IASB representative for the district.
HEALTH INSURANCE RENEWAL 10. There will be no increase to the health insurance premiums for next year, so there the district will continue with full insurance. Self-insurance is still going to be looked at as a possibility for the future.

SCHOOL RESOURCE OFFICER 11. The school resource officer position was discussed, as well as the $10,000 stipend towards his salary. Tab Balmer stated that he thinks the city would allow the school resource officer to work for us for nothing if we explained to them that our budget is tight. Julie Wagner suggested creating a volunteer security committee. This topic will be revisited in July.

BOARD COMMITTEES 12. Marta Tucker questioned whether or not we really need to appoint Board committees in advance. “Negotiations” is the only category that necessitates a committee by law. It was decided that special committees or task forces would be appointed for individual issues that arise. The Negotiations Committee will consist of Don Yates, Julie Wagner, and Marta Tucker.

PUBLIC COMMENT PROTOCOL 13. Marta Tucker presented an official statement regarding Public Comment that would be added to the Board Policy re: Public comment as an Administrative Procedure. The Statement explains the procedure and limits to duration and subject matter. It will be added to each agenda under Public Comment and posted on the Website. Public Comment and Board Comment will be separate agenda items as well.

2:230 AP The Board of Education welcomes public comment during the Public Comment portion of the agenda. Those who wish to address the board should state their name and limit their statement to five minutes. Comments are not restricted to items on the agenda; however, comments regarding specific student discipline cases or personnel issues are not allowed during Open Session. Generally, these types of comments should come to the board only after they have been referred to the teacher, principal, or administrator who is closest to the situation. If all other avenues for resolving these items have been exhausted and the issue has not been resolved, you may request to address the board, usually during closed session.

COMMITTEE REPORTS 14. Barb Chiles gave a report on Buildings and Grounds. She discussed the ADA work at the HS, vents for 3 fans, and pricing for a parking pad on the North end of the School. Old lockers were removed at the Junior High making room for a “Shelter In Place” area. New lockers will be shipped on the 24th. Bleachers on the home side were tightened up and gear was also moved out of the old locker room storage. Price quotes will be retrieved for new sidewalks. New phone lines are being installed at New Boston, and carpet is being ordered. White boards will be piggy backed with another school order. Apollo has painting updates going on, as well as baseboard replacements and courtyard landscaping.
