

**FEATURES**

- Direct replacement of 50W~100W halogen
- Diecast aluminum alloy housing
- Suitable for general lighting (wide beam angle)
- Excellent dimming capability (<3% of full power)
- Applications: Any indoor places, such as hotel, condominium, shop, restaurant, home, etc.

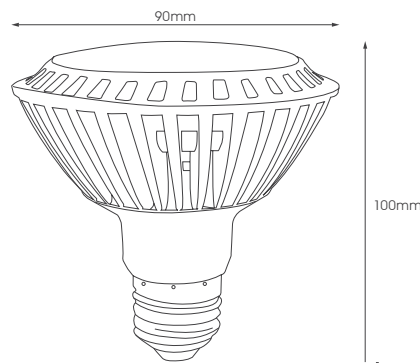

**SPECIFICATIONS+**

MODEL	P30CV-150XXD
System Power	15W
Input Voltage	180-265Vac
Luminous Flux	1500 Lumens
Color Temperature (CCT)	3000K, 4000K, 6000K
CRI	80 Ra
Luminous Efficiency	100 Lumens/W
Beam Angle	120°
Dimming	Dimmable
Design Life	30,000 Hours
Housing Material	Diecast Aluminum
Housing Color	Dark grey
Dimension	Ø90mm x H100mm

+ Product specifications are subject to changes without notice.
