PARTNERS

FAITH AND Praxis for Global Leadership

An association of skilled discerners and focused leaders and administrators with International Experience who seek to share these skills by providing development and training with and for local people.

The vision of Faith and Praxis is to ensure that members of apostolic organizations and lay organizations working internationally increase their capacity during their leadership mandate. This is achieved through the delivery of leadership development, training and facilitation and consultancy aimed at enabling leaders and members to work effectively and justly in education, health and pastoral care in the worldwide mission of God. There is a particular focus on development of effective and sustainable leadership among the people of African countries at this time and in particular of working with Congregations and organisations who have a long missionary experience in Africa.
