FILM PROJECT

Three of the six finalist's full screenplays have been delivered and are being critiqued by our judges. The remaining finalists have until October 31st to submit. An alternate has been named to fill in if one finalist does not finish their screenplay. The \$5,000 Grand Prize will be announced on November 15th. Discussions have begun with organizations/individuals on funding the project for projected production sometime in 2017.

THE CL COLLECTIVE
