

Sit-Stand Desk

4-in-1 Ergonomic Workstation

Decrease back pain and improve your posture, energy and productivity with the Teeter® Sit-Stand Desk - a customizable, ergonomic work station that is designed to work with your body and not against it! This height-adjustable desk with side table and stool provides a comfortable workspace to sit, stand and keep moving throughout your day. Seven (7) adjustment features allow you to easily customize work height, angle and position. Heavy-duty, scratch-resistant steel frame with wood grain PVC veneer finish, available in either cherry/graphite or maple/silver.

Swivel

The innovative stool with padded cushion can be adjusted to swivel out of the way when using the desk in a standing position. Simply swing it back into place to sit.

Lift

The desktop smoothly raises to a standing position between 40-46" with the help of a shock-absorbing lift pedal. Adjust the stool height between 22-28".

Tilt

Angle the desktop for use as a drafting desk, craft table or with a laptop or tablet. Adjust the stool to suit desired seated posture.

Move

Roller wheels move the desk with ease. The compact design is light enough to be portable, yet durable enough to hold 150 lb. on the desktop.

Built for the Benefits

Quick & Easy Adjustments

Auto-Locking Knobs, featured on both the desktop and stool, spring the selected height or distance setting.

Secure, Stable Surface

Stabilizer Knobs on both the desktop and stool ensure sturdiness, while four (4) stability feet at the base accommodate uneven surfaces.

Built-in Foot Platform & More!

The desktop base doubles as a foot platform to elevate tired feet while sitting. Features a built-in pencil tray on the desktop for storage.

Reliable, Trustworthy Performance

Trust Teeter for unmatched quality with a 35-year legacy, industry leading 5-year full warranty and 3D interactive assembly with FREE BILT APP for Android/iPhone.
