

## Vibration Cushion with Heated Neck Arch Support

Revive and energize tired, sore muscles! The powerful vibration motors in the cushion combine with the therapeutic benefits of two heaters in the neck arch support to help soothe muscle aches and stimulate surface circulation. The customized shape and soft padded surface is an ideal pairing with the Teeter Inversion Table for the ultimate in relaxation and stress relief while inverted!

### Turn Your Teeter into a Relaxation Station

#### 10 Vibrating Motors

Powerful pulse and vibration provides an invigorating massage that targets your shoulders and upper and lower back.

#### Light-heat Neck Support

Relax, elongate and gently position the neck in proper curvature, with light-heat technology positioned under the upper back for deep, penetrating relief. Optional use - removes easily.

#### LCD Controller

Adjust pulse and vibration in target zones, select variable speed, control intensity and turn on optional heat technology in the Neck Support.

#### Controller Storage

Convenient storage pocket attaches to the Teeter Inversion Table within easy reach.

### Accessorize Any Teeter

#### Customized Fit

Shaped to fit the bed perfectly, the soft, padded surface takes Teeter comfort to the next level.

#### Easy On, Easy Off

Simply wrap the elastic hook and loop straps around the bed surface to find an outlet.
