

EVENT & PANEL SCHEDULE 2019

420 Expo Demo Stage

TIME	PANEL	EVENT
11:00am	Edibles 101	All you need to know about creating your own edibles.
11:45am	PotAway	PotAway's ingenuity brings you the clean solution to your stinky problems!
12:15pm	Kevin Brauch's POT-tails	A story & conversation about cannabis infused cocktails with the Thirsty Traveller Kevin Brauch.
1:00pm	Super Trooper Erik Stolhanske Live!	Join us for a hilarious time featuring Broken Lizard Storytelling & a Q&A with the man behind Rabbit in Super Troopers - presented by Niagara Cannabiz Company.
2:00pm	Dining with Cannabis	Chef Justin Salomone wants you to learn how to include cannabis in your dining experience. Justin will explain the decarboxylation of cannabis for food consumption, how to manage the dosing and the safe use of cannabis infused foods.
2:45pm	Using the Whole Plant in Your Daily Menu	Using not just the buds, join Chef Danny Raposo as he makes cannabis flour with the fan leaves of the cannabis plant. Learn how to decarb the leaf and use it to make a fresh pasta recipe from scratch.
3:30pm	Infusing Cannabis in Cooking	Learn how to infuse your favourite butters, oils and more with cannabis to add them to your cooking routine.
4:20pm	Canopy Growth Softgels & You	Softgels offer a convenient, precise and discrete dosing solution for those interested in consuming their medical cannabis in pill form.

420 Expo Educational Stage

TIME	PANEL	EVENT
11:00am	Cannabis Laws and How They Affect You	Departures Capital Team Member Aaron Missere lets you know everything you need to know about the new cannabis laws and how they will affect the average cannabis user.
12:00pm	Cannabis Stocks for Beginners	Canadian Securities Exchange will be leading a panel discussing the necessary steps to getting started in the Cannabis stock exchange. Join Phillip Shum, a director of listing development at Canadian Securities Exchange, to hear first hand what company stocks are best for beginners looking for investment opportunities in the Cannabis industry.
1:00pm	Home Growing 101	Learn how to germinate seeds, what nutrients the plants need, how to tell if the plant is male or female, diagnosing issues, how to know when your flowers are ready for harvest & how to properly cure your buds for maximum flavour and taste.
1:45pm	Education and HR: Bridging the Gap Between Diversity and Inclusion	It is widely acknowledged that regulated cannabis is lacking appropriate representation by women in leadership, LGBTTTQQ2SIA folks, and the people from the very communities disproportionately harmed by marijuana prohibition. Erin Gratton and Conor Purdon explore the critical connection between education (diversity) and cannabis workplace practices (inclusion).
2:30pm	Investing in the Global Cannabis Industry	Join Departures Capital's Aaron Missere as he discusses investing in the cannabis industry in 2019. Learn about great investment opportunities in the cannabis space and get a general perspective on where the cannabis industry is heading in the short and long term.
3:15pm	Medical Cannabis 101	Hear from experienced medical consultants who have a passion for helping make medical cannabis accessible to those who need it.
4:00pm	Women & Cannabis	Canndora and their guest experts teach you about Women & Cannabis in Niagara. A discussion about women, cannabis, wellness and what's to come.

All panels and events are FREE with 420 Expo admission!

SCHEDULE IS SUBJECT TO CHANGE.
