RESERVED SEATING

The Lounge Bar is located on Level 2, behind bay N16 adjacent to your reserved Medallion Club seats.

There is no better place to enjoy a drink before the game with friends. It's the perfect location for a gourmet snack in a relaxed, stylish and corporate atmosphere. If you prefer to arrange a tab ask one of the friendly staff members.

This modern glass function space boasts impressive views of the ground, and has a live feed of the game internally. The Lounge Bar is exclusively for the use of Medallion Club Members and guests, and therefore there is no need to make a reservation. If you are attending a blockbuster or Friday night game, we recommend arriving early to allow sufficient time to be served.

The Lounge Bar will be open from two hours prior to the commencement of the game, through to 30 minutes post-match to enjoy a celebratory drink.

Entry is permitted upon viewing of your Medallion Club match ticket – All guests must meet the dress code requirements.

Please note:

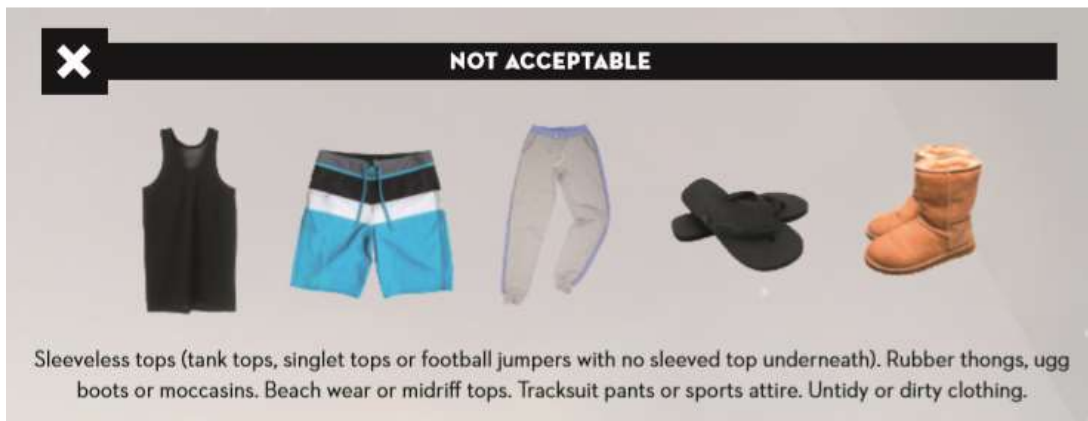

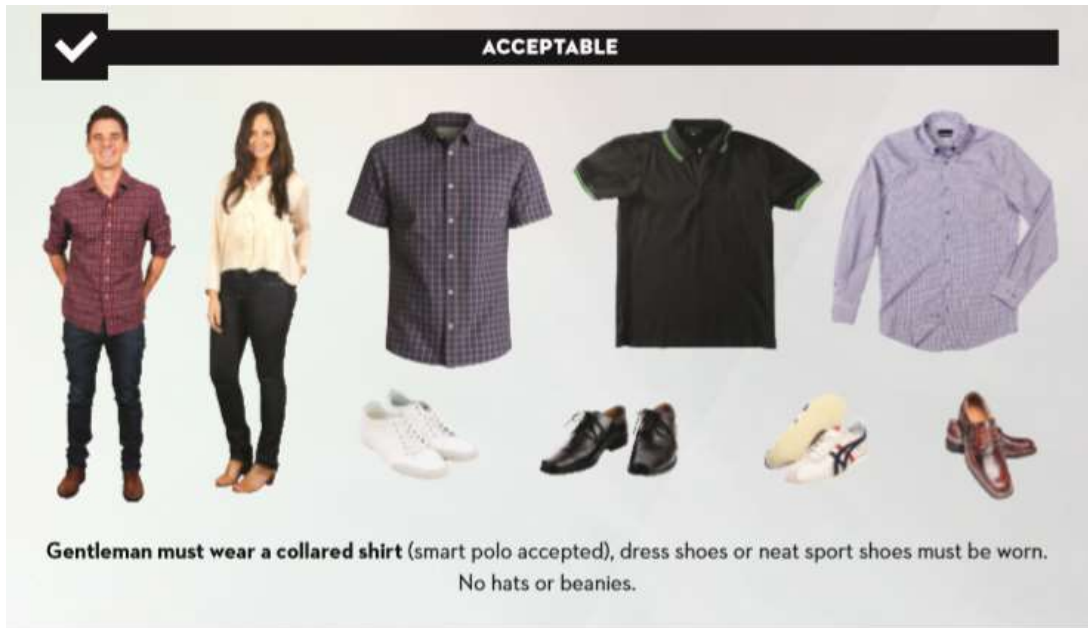

Heavy beer is not permitted outside of the bar at night games.

The MCG does not accept American Express or Diners credit cards.

There is a dress code which must be adhered to in order to access your reserved seating and the Lounge Bar – Please see following page.
