

How to prepare you iPad to Swift Playgrounds

1. Please note that only iPads with ISO 10 and above are supported
2. Windows based laptops or Mac laptops are not supported
3. Installation instructions (see screenshot below)
 - a. Search for Swift playgrounds from Apple (this is a free app) – see *picture 1*
 - b. Install the app
 - c. After the installation is completed press the GET PLAYGROUND (+ sign) and then press GET button for Learn to Code 1 to 3 – see *picture 2*
 - d. When starting the app your screen should look like *picture 3*
