Hey Michiganders and Key Clubbers, and anything in-between!
I'm Sam Saba, your newly elected District Bulletin Editor!

I couldn't be happier to serve in this position, and I only hope to better your Key Club experience through my duties and representing you all on District Board. My Key Club experience began at UAIS, when I went to our club fair and wanted to serve. I saw this group of students huddled around hundreds of trophies (in case you didn't know I am attracted to shiny things, and UAIS Key Club doesn't have a shortage of those)! I ended up joining and loving it to pieces, and all that it had to offer. I mean who wouldn't to stop maternal and neonatal tetanus through The Eliminate project, help those who can't help themselves, bring water to the millions who don't have access to it, do hundreds of service hours, and so much more! Key Club has done so much for me and made me who I am today, and I wanted every single student to have the same experience as I did, so after being elected I joined the membership development committee! Now, I need your help in bringing in the most members we have ever had.

LETTER FROM THE EDITOR

SAM SABA

Dear Mighty Michigan Key Clubbers,

I just wanted to thank you for giving me the opportunity to represent the Mighty Michigan District at an International level.

Like many of you, I was shy and awkward at my first SLC. I looked at Addie Clipfell in awe as she lead the 2014-15

District Board--never believing that I would follow in her footsteps one day. Now, I stand here humbly in front of you today. I am eager to serve the Mighty Michigan

District and you should be too! In the last year, we have accomplished so much together. From

organizing a 300 member convention to making hundreds of packages for KCAH, we have

done it all. And this wouldn't be without the amazing members of our district. This year,

I would encourage you to strive for

more. Go for bigger and better! Apply

for awards at SLC, run for district

positions and help your homes,

schools and communities by

trying new service projects.

The limits are endless. Let's

make the 2017-18 service

year one for the books.

From the 2017-2018

District board, we

want to welcome

you to the new

service year

and are

excited to

see what

this year

has to

offer.

KEY CLUB KEY CLUB

Division 16 has been an outstanding division these past few months due to their Lt. Governor's drive for bettering her division. Laura has done a fantastic job staying in contact with her division and having representatives from every board at her ZOTC. Speaking of 16's ZOTC, it was a huge success as board members were making bookmarks while also learning about their positions, Key Club, and bonding together over their love of service!

Division 9 has been doing a fabulous job with their Key Club involvement, due to their hard-working Lt. Governor, Anna Schafer. These pictures show their very successful ZOTC and project, making dog toys from old t-shirts to be donated to the Lenawee Humane Society. Also, they have been getting closer as a division through fun and interactive icebreakers, like "fruitbasket", where they shared facts about themselves and so much more!

Key Club International currently has one service partner that we work with and that is the **Thirst Project!** Thirst Project is the **world's leading Y-OUTH water activism** organization. We are a movement of high school and college students who **build freshwater wells** in developing nations and **impoverished communities** to provide people with **safe, clean water**. Thirst Project is a **nonprofit organization** that travels across the United States speaking at schools to **educate students** about the **global water crisis** and challenges them to **fundraise to build wells everywhere**.

MAJOR EMPHASIS

In 1946, Key Club International challenged all Key Clubs and members to focus energies on making an international impact. This program still is followed today through the Major Emphasis: "Children: Their Future, Our Focus." To fulfill the mission of the Major Emphasis, Key Club International serves children in many ways. Members participate in hands-on service which involves providing direct service within the community.

WAYS TO DO THIS

Make non-slip socks for children in the hospital. Unfortunately, hospital floors can be slippery but these fun socks can prevent falling and are a fun way to customize boring socks.
