

Create a Resource Box

Making **stuff** feels great! Grab a crate, or a tub, or a wooden box. Create a resource box and fill it with things you like. Your collection may include some of these items:

Resource Box Stuff

Sticks	Cardboard	Wood glue
Dress-up clothes	Egg cartons	Paper plates
Doilies	Paper scissors	Glitter
Pasta	Pipe cleaners	Bucket
lego	Scrapbook	Crayons
Stamps	Rice maracas	spade
Toy tractor	Earth mover	Hole punch
Toy animals	Textas	books

Now let your imagination play:

1. Think about **music** – clap, dance, sing
2. Think about **patterns** – fold paper in four. Cut across the corners and use a hole-punch to create a pattern. Unfold the page.
3. Think about a **story** – use dolls or toy animals as characters. Design their home.
4. Think about **construction** – make mud pies. Build a sandcastle or a snowman. Design a bridge, canal or dam.
5. Think about **art** – colours, texture, shapes.

Explain your creations to your family, so they can enjoy them, too.
