

Ladies and Gentlemen,

In an effort to ensure the safety, well being, and peace of mind of our students, staff, and community. The Laurel Highlands School District will be utilizing an Act 80 day on Monday January 29, 2018. Therefore, there will be no school for students. Staff will report to their assigned building(s) from 8:00 a.m. until 3:00 p.m. This accelerated initiative is in response to a similar and unrelated threat, however not to the extent of the threat that was uncovered in a neighboring school district. We take all threats serious and are implementing the necessary steps to our situation to ensure the safety of all. Additionally, the PA State police are assisting our district with an added presence both within and outside the school buildings. Our goal is for all students to feel and be safe in our school environment, the teaching and learning of students will not falter.

Sincerely,

Dr. Jesse T. Wallace  
Superintendent of Schools  
Laurel Highlands School District
