

Newbury Park HS Jazz Festival Itinerary

March 17th, 2018

****Tentative****

The Newbury Park Jazz Festival is a non bus event. It is expected that you arrive with your parents and are picked up by your parents. Please arrive at least 30 minutes before your first commitment. You are responsible for your own instrument, music and jazz attire. Please arrive with money for food as you will be there during a meal regardless of what band you play in.

All students are free to enter at all of the days' activities, but admission is charged to parents/guests. It is extremely important that all bands attend the noon guest artist concert and remain on campus to support each other. Do not just watch our school Ensembles. You should be watching others, such as Agoura HS, Westlake HS and Workman HS, just to name a few.

Students not in PM Lab should meet Mr. Cook for your wristband at 11:40a in front of the PAC. All students arriving before that should meet Mr. Cook at 9:45a at the front of the PAC with Lab Jazz prior to warm up.
