

Winter Drumline Carpool Info Sheet

After tallying what each family desired for the transportation of the drumline during their winter season, it has been determined that the students will take buses to just 2 of the events and will need to carpool the rest. This will truly require a team effort to undertake in order to get 32 members, the truck and the trailer to destinations as far as 2 hours away. It is really important that EVERYone play your part in helping or committing an amount of money to each family who is driving your child on a given date. Any family that drives students on at least 1 trip does not have to pay for gas money. Anyone who does not will need to pitch in for all trips. On the back of this sheet are the dates for your ensemble for you to commit you and your vehicle. Drumline will require 2 drivers, one that is comfortable pulling the trailer in a rented heavy duty pick-up truck, and the other to drive the 24' bobtail truck, as well as at least 7 drivers for the trips that buses will not be taken.

****NOTE – if families do not pay transportation contribution of \$75.00 to the ACHS ASB Bookkeeper by Friday, February 17th, the buses will be cancelled and families will be refunded.**

****If you paid the fall transportation contribution in the fall, you have a \$10.00 credit and only will owe \$65.00 for drumline transportation.**

Please fill out the form completely and return by Tuesday, February 7th so we can have ample time to plan each trip and have time to communicate with you.

Thank you for your help in organizing this and putting your time and effort into these programs for our students.
