Welcome Back Orange Room From Sly Park!

Our 6th graders came back home today from their week-long adventure at Science Camp - a great time had by all!

April 2017 - Character Education Theme - The Power to Choose

Our school-wide character education theme this month involves making good choices. Our Purple Room introduced the theme to all of our students at an Assembly earlier this week. Part of their presentation was this video that they made. Enjoy!

Robotics

For the last several years, the spring completion of our Teen CERT program has meant the beginning of a robotics unit for our 7th - 8th grade students. **Thank you MMCA Alumni Parent Scott Dunn** for your continued leadership and support of this program!

Summer Camp 2017 Registration is Under Way!

Please check out our Flyer for Summer Camp 2017 below. Registration paperwork is available on the website and in the front office. If you have any questions about the program, please contact Summer Camp Director Julie Cohodes at jcohodes@mmcharter.org.

Drop-off / Pick Up Reminders:

From time to time, I need to publish reminders for all of us regarding some type of "parking lot etiquette." Please remember that ultimately, this is a student safety issue, and we are trying to make sure that all of our kids are safe. With that in mind, have you noticed right after the first crosswalk the area marked by white lines? This area is NOT a parking spot for cars (can't have parking spots that 'back' cars into a crosswalk). Please do not park here. Second, our "through traffic" lane starts after the Preschool Driveway - not up by the church parking lot.
