### The Hot Lunch Menu for December is Open

Make sure you place orders for your child for December. The first deadline will be during Thanksgiving Break (Monday 11/25 at 11:59pm). Information is available on our website <https://www.mmcharter.org/hot-lunch>

### Toy Drive to Support Local Foster Care Agency

Tis' the season to give back to our community! Our 7<sup>th</sup> and 8<sup>th</sup> grade students are feeling a part of the bigger community and will be spearheading a school-wide toy drive.

We are collecting **new toys** for the foster care agency Koinonia to give to the children as celebration gifts throughout the year. Items include: toys, clothes (infant-18yrs), books, gift cards of any denomination, sports equipment, etc.

Donation bins are set up in each classroom as well as in the front office. Please send in your donation by December 13<sup>th</sup> Happy Giving!!!! For any questions, please contact Mrs. Jennings at [ejennings@mmcharter.org](mailto:ejennings@mmcharter.org).

### Cookie Dough Fundraiser

Last week we sent home the Cookie Dough Fundraiser packets. This fundraiser is at the perfect time so that during the Winter Holiday you can have some scrumptious cookies on hand! We had assumed the packets were complete with the cookie dough catalog and the snack catalog. We were misinformed and immediately let the fundraising company know. They personally drove up from Stockton with the catalog Wednesday afternoon, and we sent the cookie dough catalog home yesterday to your assigned family member. We hope this helps! Orders are still due on November 20th. Thank you, MMCA Staff

### From our Scholastic Book Club Parent:

Scholastic book club order forms are going out today. The order deadline is next Friday, November 22nd. Orders can be returned to the teacher on or before the deadline. However, I recommend checking out the

website. There are many more titles online at <http://www.scholastic.com/readingclub>, and you can place your order directly online.

### **[Attendance Matters](#)**

Last week we published a detailed letter reminding our families why school attendance matters. L.A. Unified recently published a similar letter - within their note, they said that for every day a student is absent, it takes the student (3) days to get caught up.

If you know your child is going to be absent, one way to help them stay caught up is to complete an Independent Study packet prepared by your child's teachers. It takes teachers some time to prepare an I.S. packet - if your child is going to need I.S., please give them at least (3) days notice before the absence.
