Save the Date: MMCA's Bike/Walk Ride Event on June 6th

Get your bikes dusted off and trail ready! MMCA is participating in a bike ride/walking fundraiser to benefit FARA (Friedreich's Ataxia Research Alliance) on Tuesday, June 6. Mrs. Bryant's son, Kyle Bryant has been an inspiration to our school as he has a rare and genetic, neurodegenerative disorder called Friedreich's Ataxia. He organizes bike rides throughout the year to help raise awareness and funds in order to help with the research to find a cure. Volunteer sign-ups are on **SignUp Genius**:

Want to learn more information about Friedreich's Ataxia & Kyle Bryant? They made a movie about him that you can see! Please see Movie Screening Flyer for "The Ataxian" at the end of today's Flyer.

MMCA-FARA T-shirts!

Get in the spirit and buy a tshirt to wear on the day of the ride! Children and adult sizes available for \$10 and can be used as a uniform shirt on non-ride days. T-shirts available for sale in the office. All proceeds will go to FARA.

[SBAC Testing 3rd-8th Grade](#)

Over the next several weeks, MMCA students will be doing state testing. Depending on the grade level, students will be taking four to six tests at different times over these three weeks. Attendance is crucial during testing weeks. Lots of sleep and high protein breakfasts are very helpful as well.
