We are now accepting applications for Children's House for next school year. As a private preschool, enrollment is on a first come, first serve basis. Application paperwork and our Parent Handbook for next year are available on our website (<http://www.mmcharter.org/preschool-enrollment-1>) and in the Front Office. Interested in a tour? Please contact Cynthia Brown (cbrown@mmcharter.org) to coordinate.

Returning Student Enrollment

Packets were sent home last week with current students (grades K - 7th). Please fill out the packet completely if your child will be returning for the 17/18 school year. Return your packets by Monday, February 13th so that we will know how many spots we have open for new students in the lottery.

Kindergarten / Sibling Registration

Applications for the 2017/2018 school year must be in by 2/15/17 for any siblings that you would like to attend next year. Kindergarteners must be five by 9/1/17. Applications are available on our website:

Six Flags Read to Succeed

This year's **Six Flags Read to Succeed** program is still going on! If you & your kids wish to participate in the program, your students may opt to read recreationally for 6 hours in order to earn a free ticket to Six Flags, for use this summer. Their Reading Logs will be due in February. Reading Logs were sent home in December. Feel free to get in touch with the Program Coordinator at any time with any questions you have or for any clarification you may need: Kisha Chatterton PurposefulPlanter@gmail.com. We hope you enjoy reading with your children and that this program increases their enjoyment of reading!
