### Mock Disaster Thank You's

Thank you to all of our Community Partners and parent volunteers for helping us make our mock disaster a success! Multiple television outlets covered our event (Fox40, KCRA 3), and their reports are available on their websites.

### Hot Lunch next year !?

We are currently negotiating with Revolution Foods to provide hot lunch to our students next year (sample Rev. Foods menu included at survey link). As we negotiate, I want to gauge from our families what our demand would be. Please note: For families that qualify for "free/reduced" lunch, your lunch cost would be either free or at the 'reduced' rate. Additionally, if you have any comments / feedback on hot lunch that you'd like to share, please do so at the survey. Thank you in advance for answering these simple questions as we do our due diligence!

### Lost and Found

We've had our Lost & Found clothes, lunch box, 'big' item rack out front during pick up this week. We also have a lot of 'small item' Lost & Found (picture below). Please take a moment to stop by the office next week to look at our 'small item' Lost & Found items if you think your child is missing something.
