9th Annual Mock Disaster Coming Up

On Wednesday, March 15th, our classes have the opportunity to participate in a mock disaster in support of the MMCA Teen Community Emergency Response Team (CERT) Program. Students in grades 2-6 will have the opportunity to participate as "victims" in our 9th annual mock disaster, while our 7th and 8th graders serve as rescuers. Students in grades K-1 will stay in their classrooms for their normal lessons. Representatives from the Rocklin-Placer area emergency response community will be present to supervise and assess our Teen CERT members in their response.

***VOLUNTEERS NEEDED! Volunteers are needed at 7:30AM on Wednesday to help with staging the disaster, victim makeup, and clean up afterwards. Instructions will be provided and it is a lot of fun! Please contact Mrs. Crouch via email at lcrouch@mmcharter.org if you can help.**

*Students who are participating as victims (only grades 2nd - 6th) should arrive at school no earlier than 7:30 a.m. We will open the doors to the MPR by 7:40 a.m. to begin makeup. All "victims" will be given instructions on what to do through a briefing conducted by adult CERT members or professional first responders.

*It is a free dress day, but students should wear old clothes. The makeup will stain their clothes.

Thank you all for allowing your students to participate in this event. The longer we do this, the better the Teen CERTs seem to do, in large part because they have been practicing as "victims" for so long. The opportunity to preview the skills and learn empathy from being the victim has been invaluable. This is probably their largest practical life project, and we couldn't do it without you!

Thank you,
MMCA's Teen CERT Mock Disaster Team

Krispy Kreme Doughnuts Next Wednesday After School!

The Orange Room will be hosting a Krispy Kreme Fundraiser this Wednesday, March 15th. The fundraiser will help pay for their upcoming Sly Park Science Camp. Donuts will go on sale at noon and end at 2 pm. They will be sold at the blue picnic benches in front of the MPR. Please bring \$1 for an Original Glazed Donut!

Parking Lot Etiquette Reminders!

Safety is our number one concern when it comes to drop off and pick up. Please **be respectful** and follow the lead of our traffic volunteers. Cross in crosswalks only; do not cut in front of other cars waiting in line to drop off at the curb; use 2nd (left) lane for parking lot access only, etc.
