### Income Surveys

Our annual CONFIDENTIAL Parent Income Surveys went home with the students last week. Please take a moment to fill out and return these confidential income surveys. We are required by law to collect these. Additionally, some federal funding and grant opportunities are based on the data collected here. Any questions about the Surveys can be sent to our Business Manager Denise Thorman at [dthorman@mmcharter.org](mailto:dthorman@mmcharter.org).

### Drop-off / Pick-up Reminders

From time to time, I need to publish reminders for all of us regarding our "parking lot etiquette." Please remember that ultimately, this is a student safety issue, and we are trying to make sure that all of our kids are safe. Whether you are on our driveway, in our parking lot, at the church or the park, please drive slowly and watch out for students. Additionally:

1. The Speed limit on our driveway and within our parking lot is 5 mph. Please DO NOT exceed this.
2. When walking within our parking lot, please use the designated crosswalks.
3. Please do not leave your car unattended during pick-up - if you need to park, please use a designated parking spot at the school, church or park.
4. Our "through traffic" lane starts after the Preschool Driveway - not up by the church parking lot.

## **Garden Team Update**

The Garden Team is looking for someone who is willing to be the vacation home for our bunnies this school year! If you are interested or would like more information, please contact Kristin Thomas at [kthomas@mmcharter.org](mailto:kthomas@mmcharter.org) . The garden is also in need of some more wheelbarrows! If you have an extra one that you do not need, we would love to take that off of your hands. Any donated wheelbarrow is worth 4 volunteer hours!

Also, we've got a Garden Workday coming up on MONDAY 9/23/19 from 2:15p-4:00p. This is a great way to get your volunteer hours!

## **Hot Lunch Update:**

The Revolution Foods October Menu is now available on our hot lunch website (<https://www.mmcharter.org/hot-lunch>). Please go to our Hot Lunch website, for all of the information on how to order. Order deadlines for hot lunch are Mondays @ 11:59p for hot lunches for the subsequent week. Please make sure you CHECK OUT and receive a confirmation...if you don't receive a confirmation, the order is still in your cart and it won't be processed.

## **Carpooling Opportunities:**

At MMCA, we have families that come from all over the area. In that spirit, we like to promote carpooling. If you would like a carpooling opportunity posted in one of our future flyers, please email our [mmca@mmcharter.org](mailto:mmca@mmcharter.org) account with a subject line of CARPOOL HELP.

## **Sign-up for Parent-Teacher Goal Setting Conferences!**

You are invited to sign-up for your child's conference which will be held on the afternoons of Monday, October 7th through Wednesday, October 9th. You will have online access to schedule conferences starting Monday, September 23rd through Thursday, October 3rd.

How to schedule your child(ren)'s conference:

1. Go to this link: <https://www.canyoncreeksoftware.com/scheduler/ca/mariamontessori/index.cfm>
2. Find "Maria Montessori Charter Academy" and press "Go"
3. There will be a prompt for a school password - the password is: mmca
4. The next screen will ask you to "enter the student's ID" - we are NOT using student ID's. Instead, press the "LOOKUP STUDENT ID" button.
5. After pressing the "look up student ID" button, you will be prompted to enter your child's first name, last name, and birthdate and then press "LOOKUP".
6. After your child has been identified, the program will ask you to do two things:
  - a. Select the classroom you want to schedule the conference for (note: ALL of our classrooms are listed by color names, not teacher names); and
  - b. If you have multiple children that you want to schedule a conference for, it will give you the opportunity to look up the next child (this will give you the opportunity to see multiple classroom conference schedules listed next to each other, making it convenient for your scheduling)
7. The program will take you through a couple of self-explanatory calendar screens, and your conference will be scheduled.
8. If you are having issues with the software program, you have two alternatives to schedule your conference:
  - a. You may come into the office to use one of our computers.
  - b. You may call the office after 9:00 a.m. and they can assist you with scheduling.

Thanks!
